My dearest Jean,

The very best of luck to the cutest, sweetest, nicest, and most wonderful girl I've ever known.

This past year has presented me with the greatest possible joy that anyone could ever know, by this, sweetie, I mean you. Though these few short months only you, yourself could have made them as enjoyable and memorable as they were. Never knowing what was going to happen (foller that fire engine) but only to look forward to the next time I could see you, with your scarlet red hair, blue eyes and that everloven nose. (Hag! who's got the N.?)

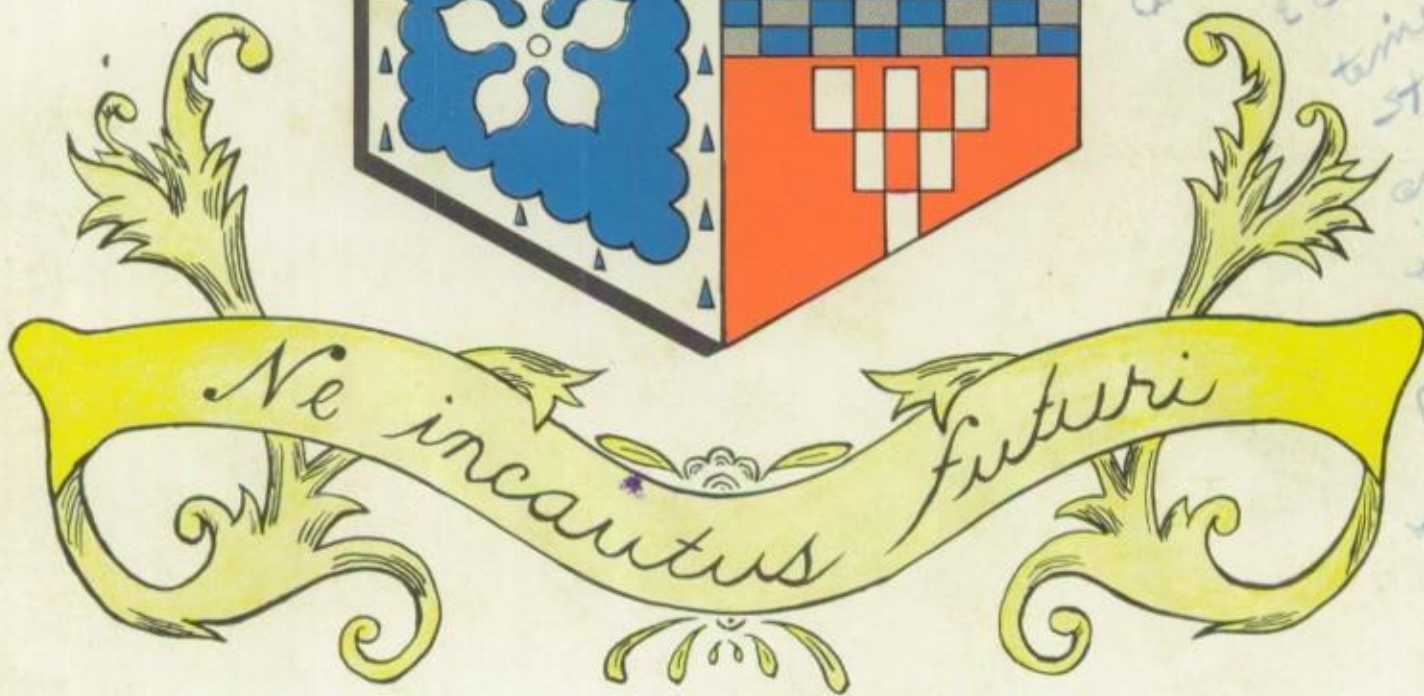

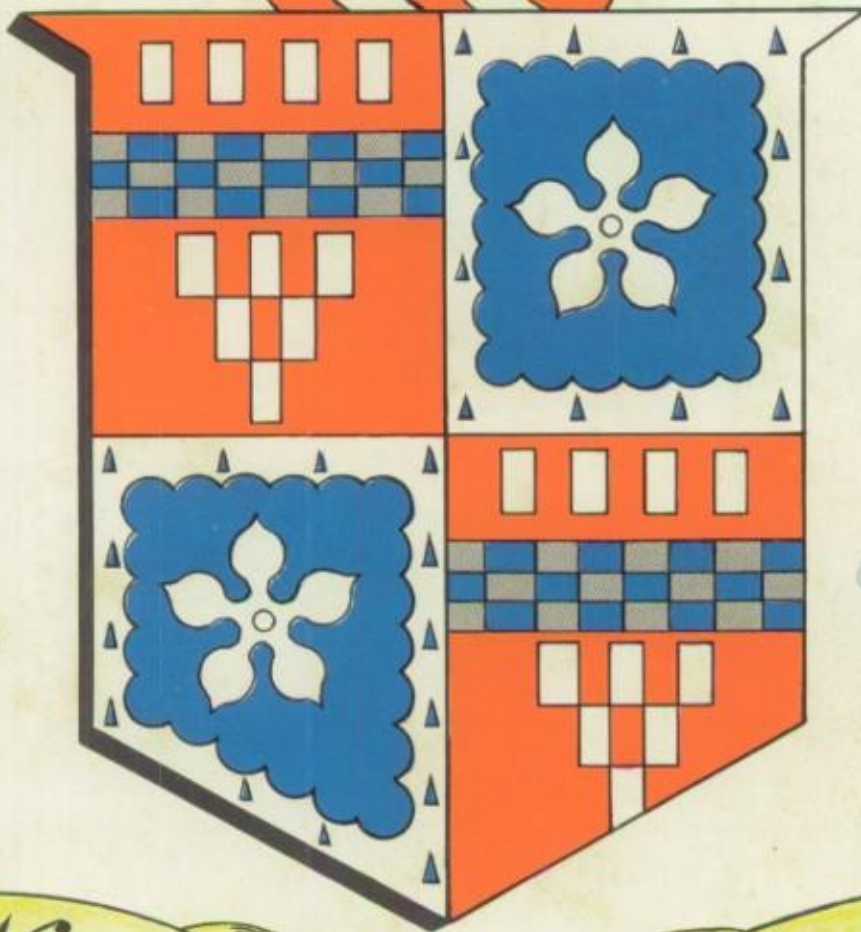

Jean the future is yours to do with as you wish, the whole world awaits you, with know one to ^{help} make your decisions for you, but a few helpful hints from the people that you love.

Blue and Gray

I only hope that I'm among those few people to be included in a future such as only you could provide.

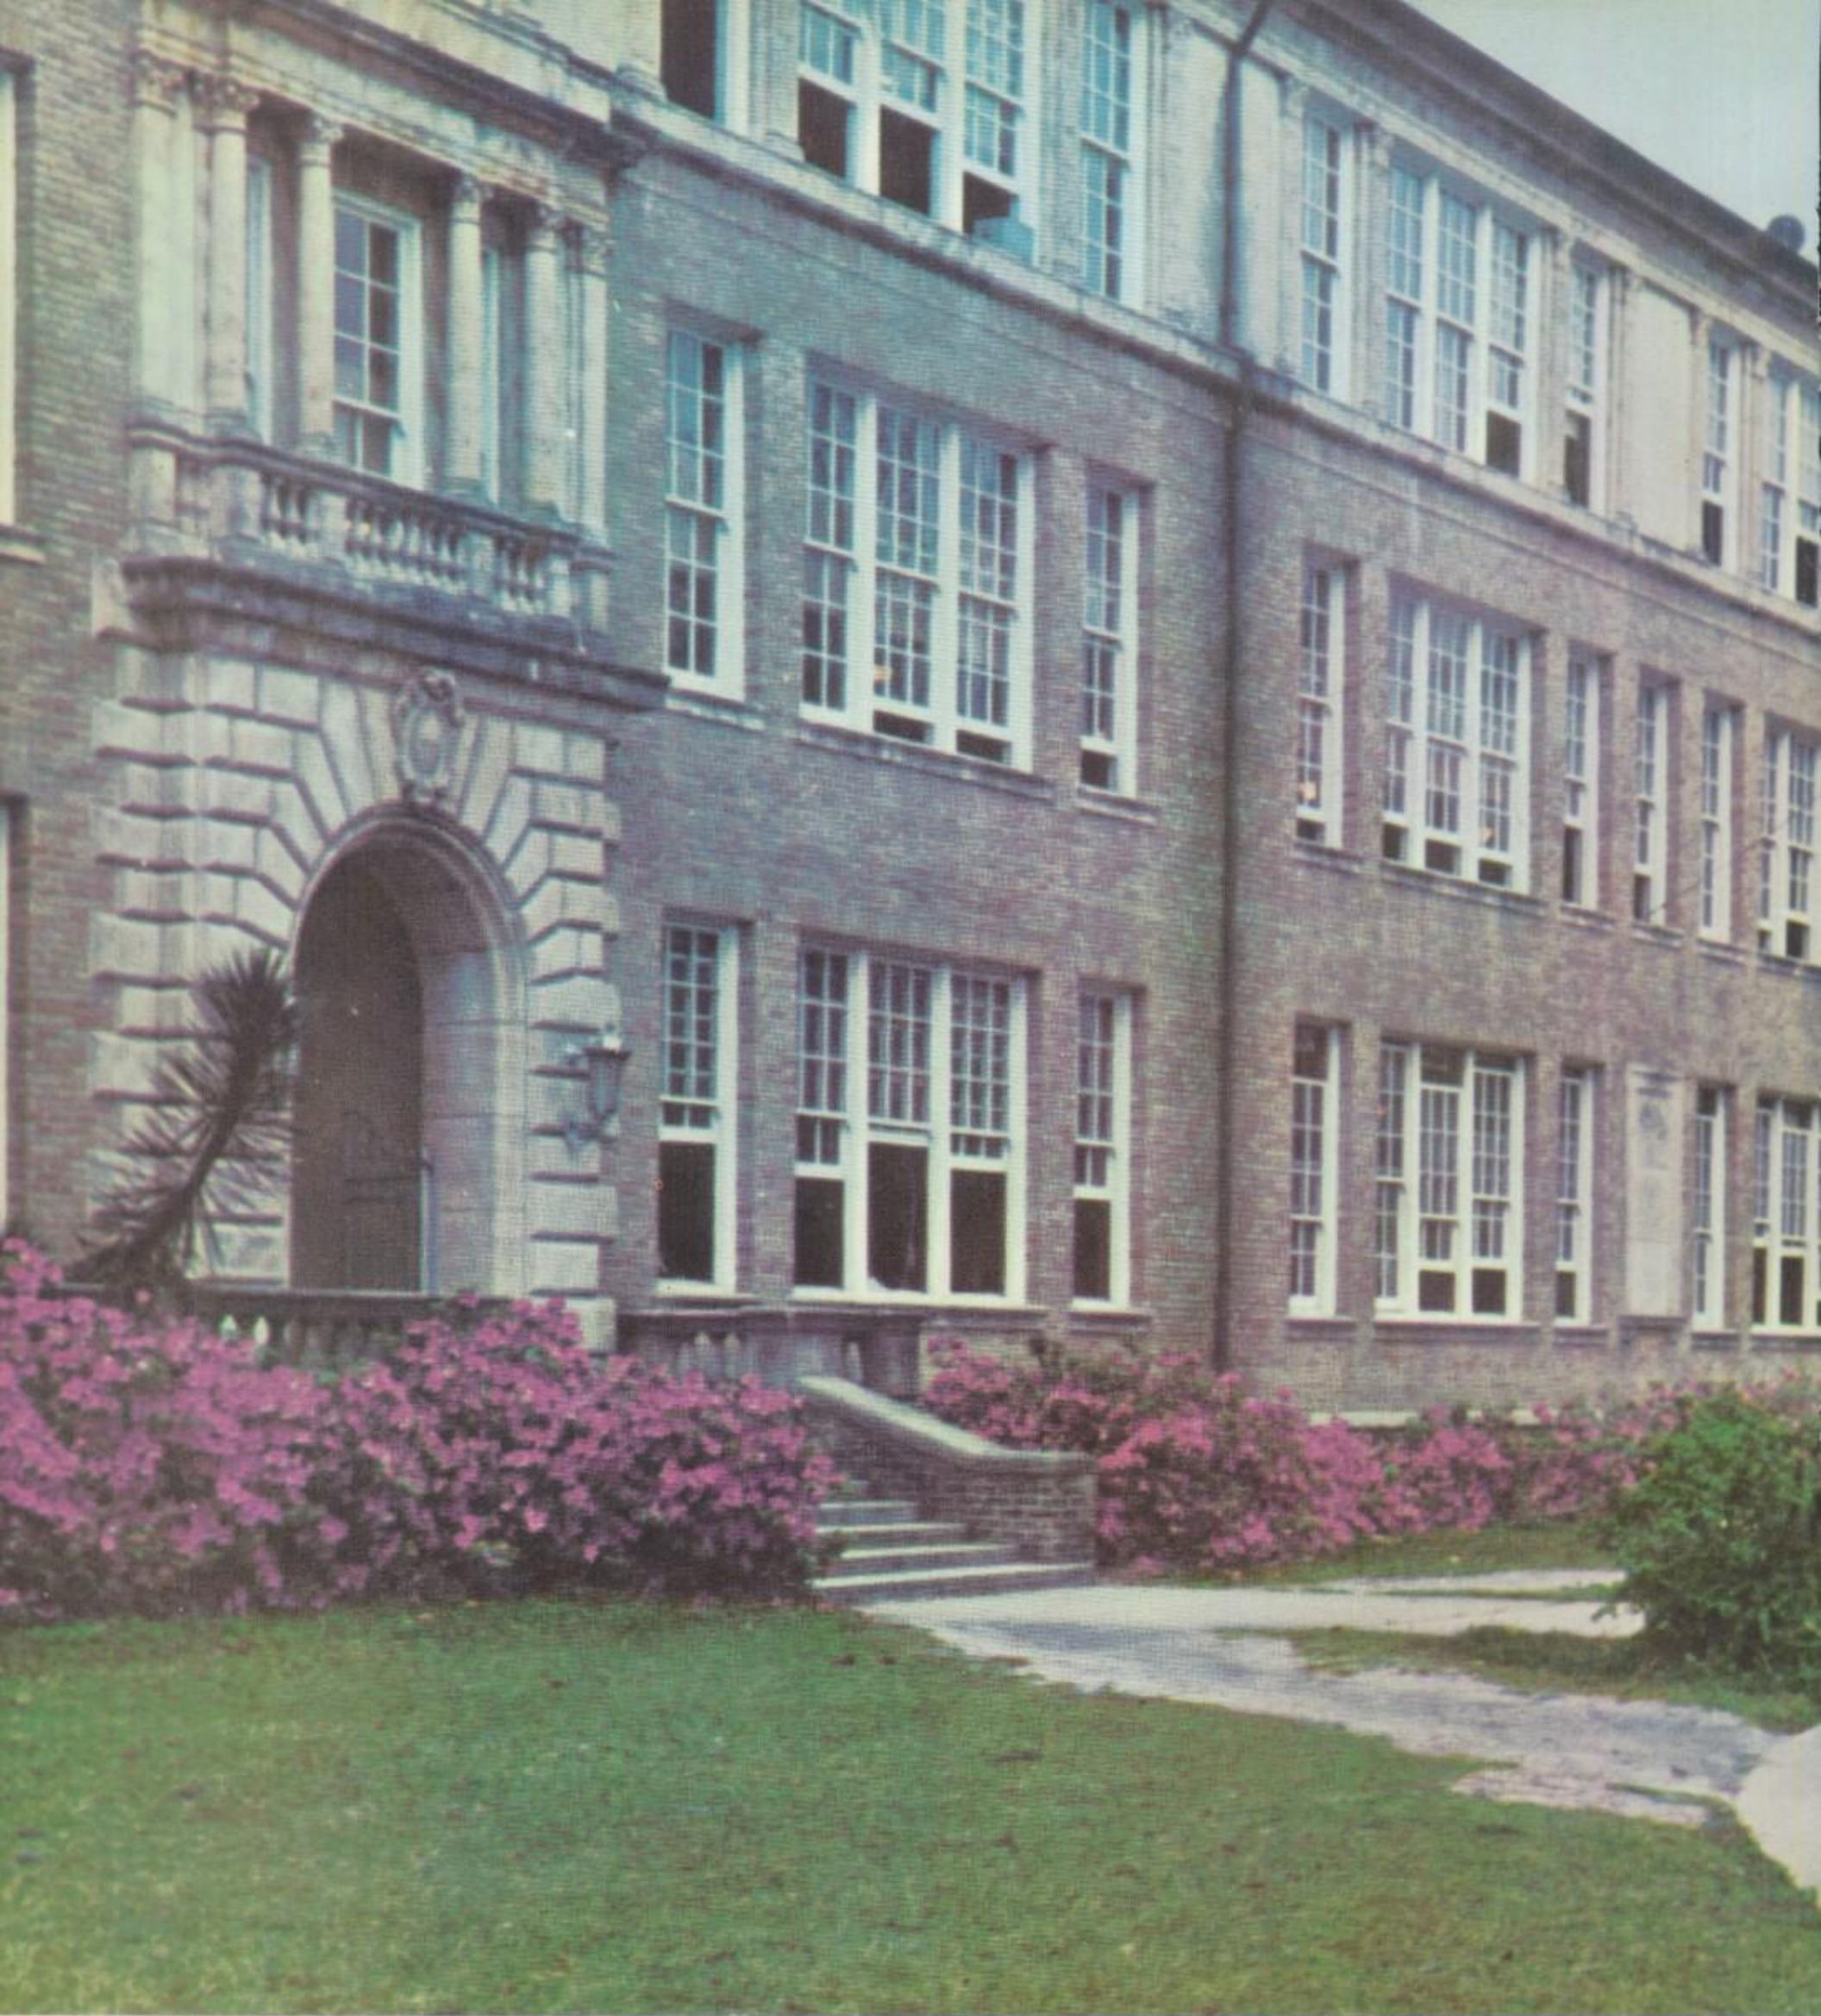

all my ~~always~~
love always
Charles

Yours until I find a dry tray
in the cafeteria and Miss
Durran starts growling?!
Good luck always!
Linola Barolde

Years,
I really have had
fun knowing you this year.
Always remember Dear, some
time at college.
stay sweet + I
as you are now
+ good luck always
with Charles.
Wish me luck
+ hope I don't
get dropped.

Jean,
 Soon the old Alma Mater
 will be a thing of the past -
 Don't ever forget the wonder-
 ful times we've had at Lee.
 Hasleyson **ALMA MATER** is more fun than
 the law allows - too bad! Be good,
 if & when you can. Good Luck &
 To thee, dear Alma Mater, we
 Best Wishes wherever our paths
 cross proudly raise our eyes.
 may happiness be waiting!

From all our years of service, we've
 gained a noble prize. *Love from*
 We've suffered toil and hardship, *future Hasleyson*
Judy Joseph
 we've worked the whole day through.
 To bring thee praise and honor and
 keep thy standards true.

To thee — dear Lee High School,
 we proudly lift our eyes.
 We'll sing thy praise forever and
 bear thee to the skies.
 In all our years of gladness, in all
 our days of cheer,
 We'll cherish thee forever, our
 blessed mother dear.

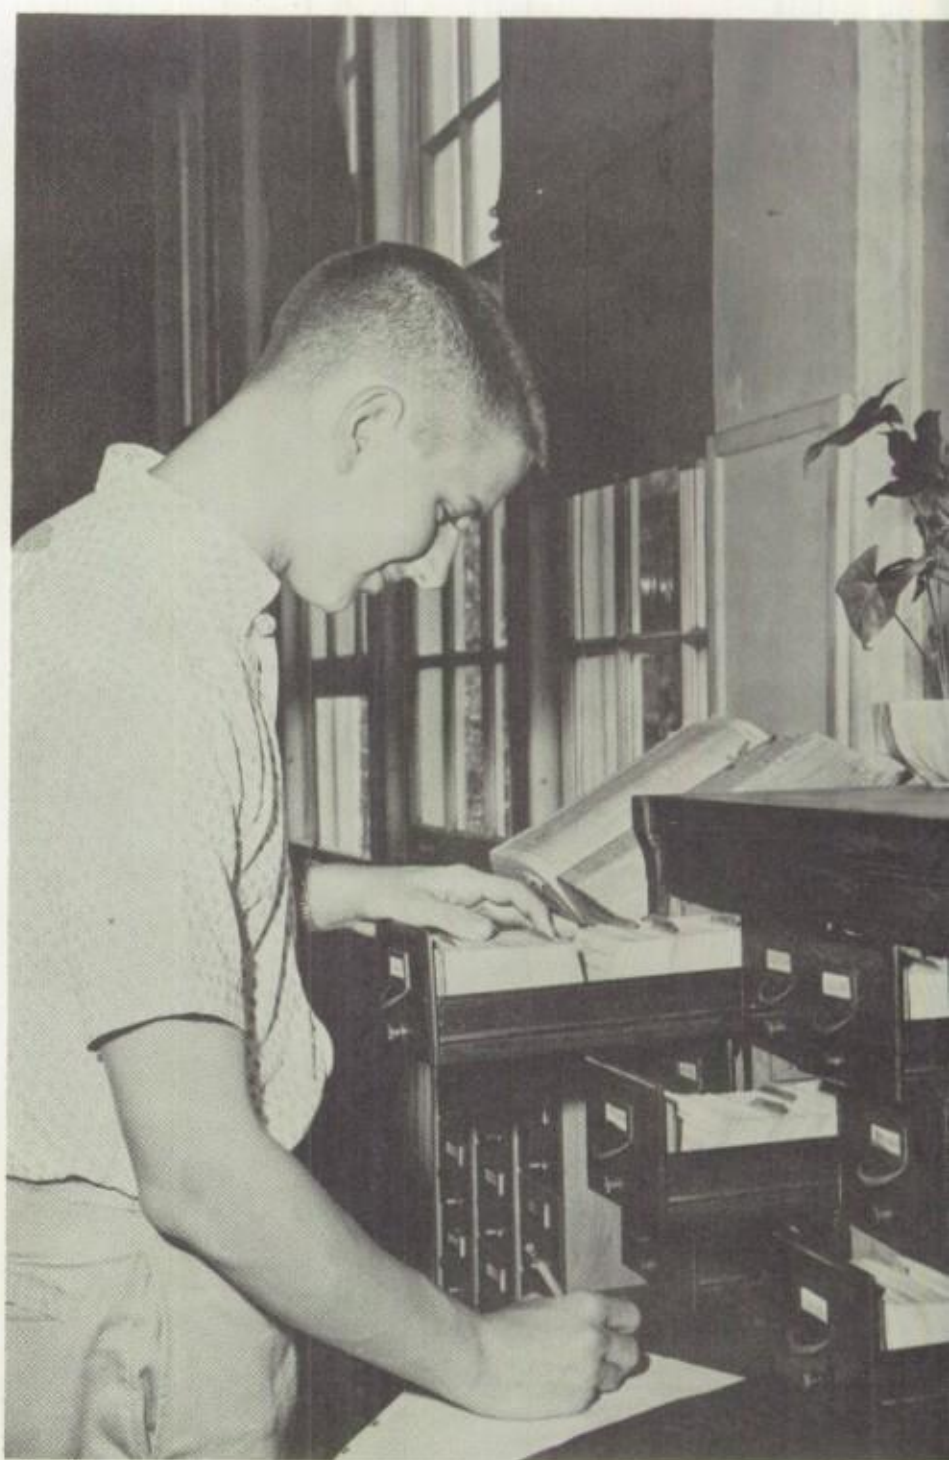

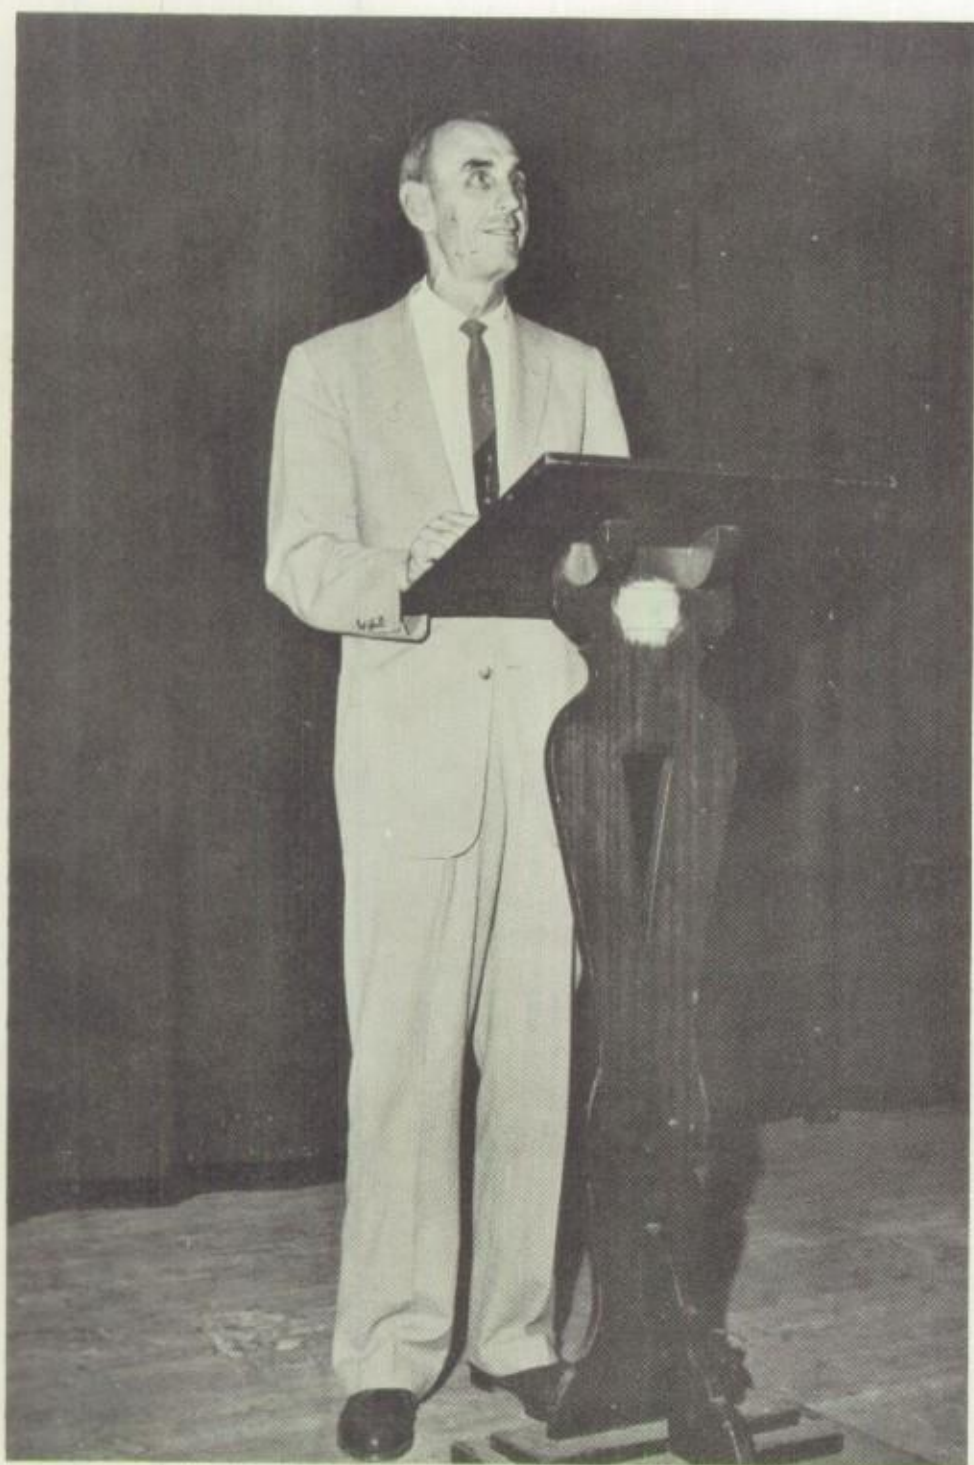

Rolls of luck & love to you 'Charles'
 Thanks for your true spirit

... An Ideal

We Are Lee

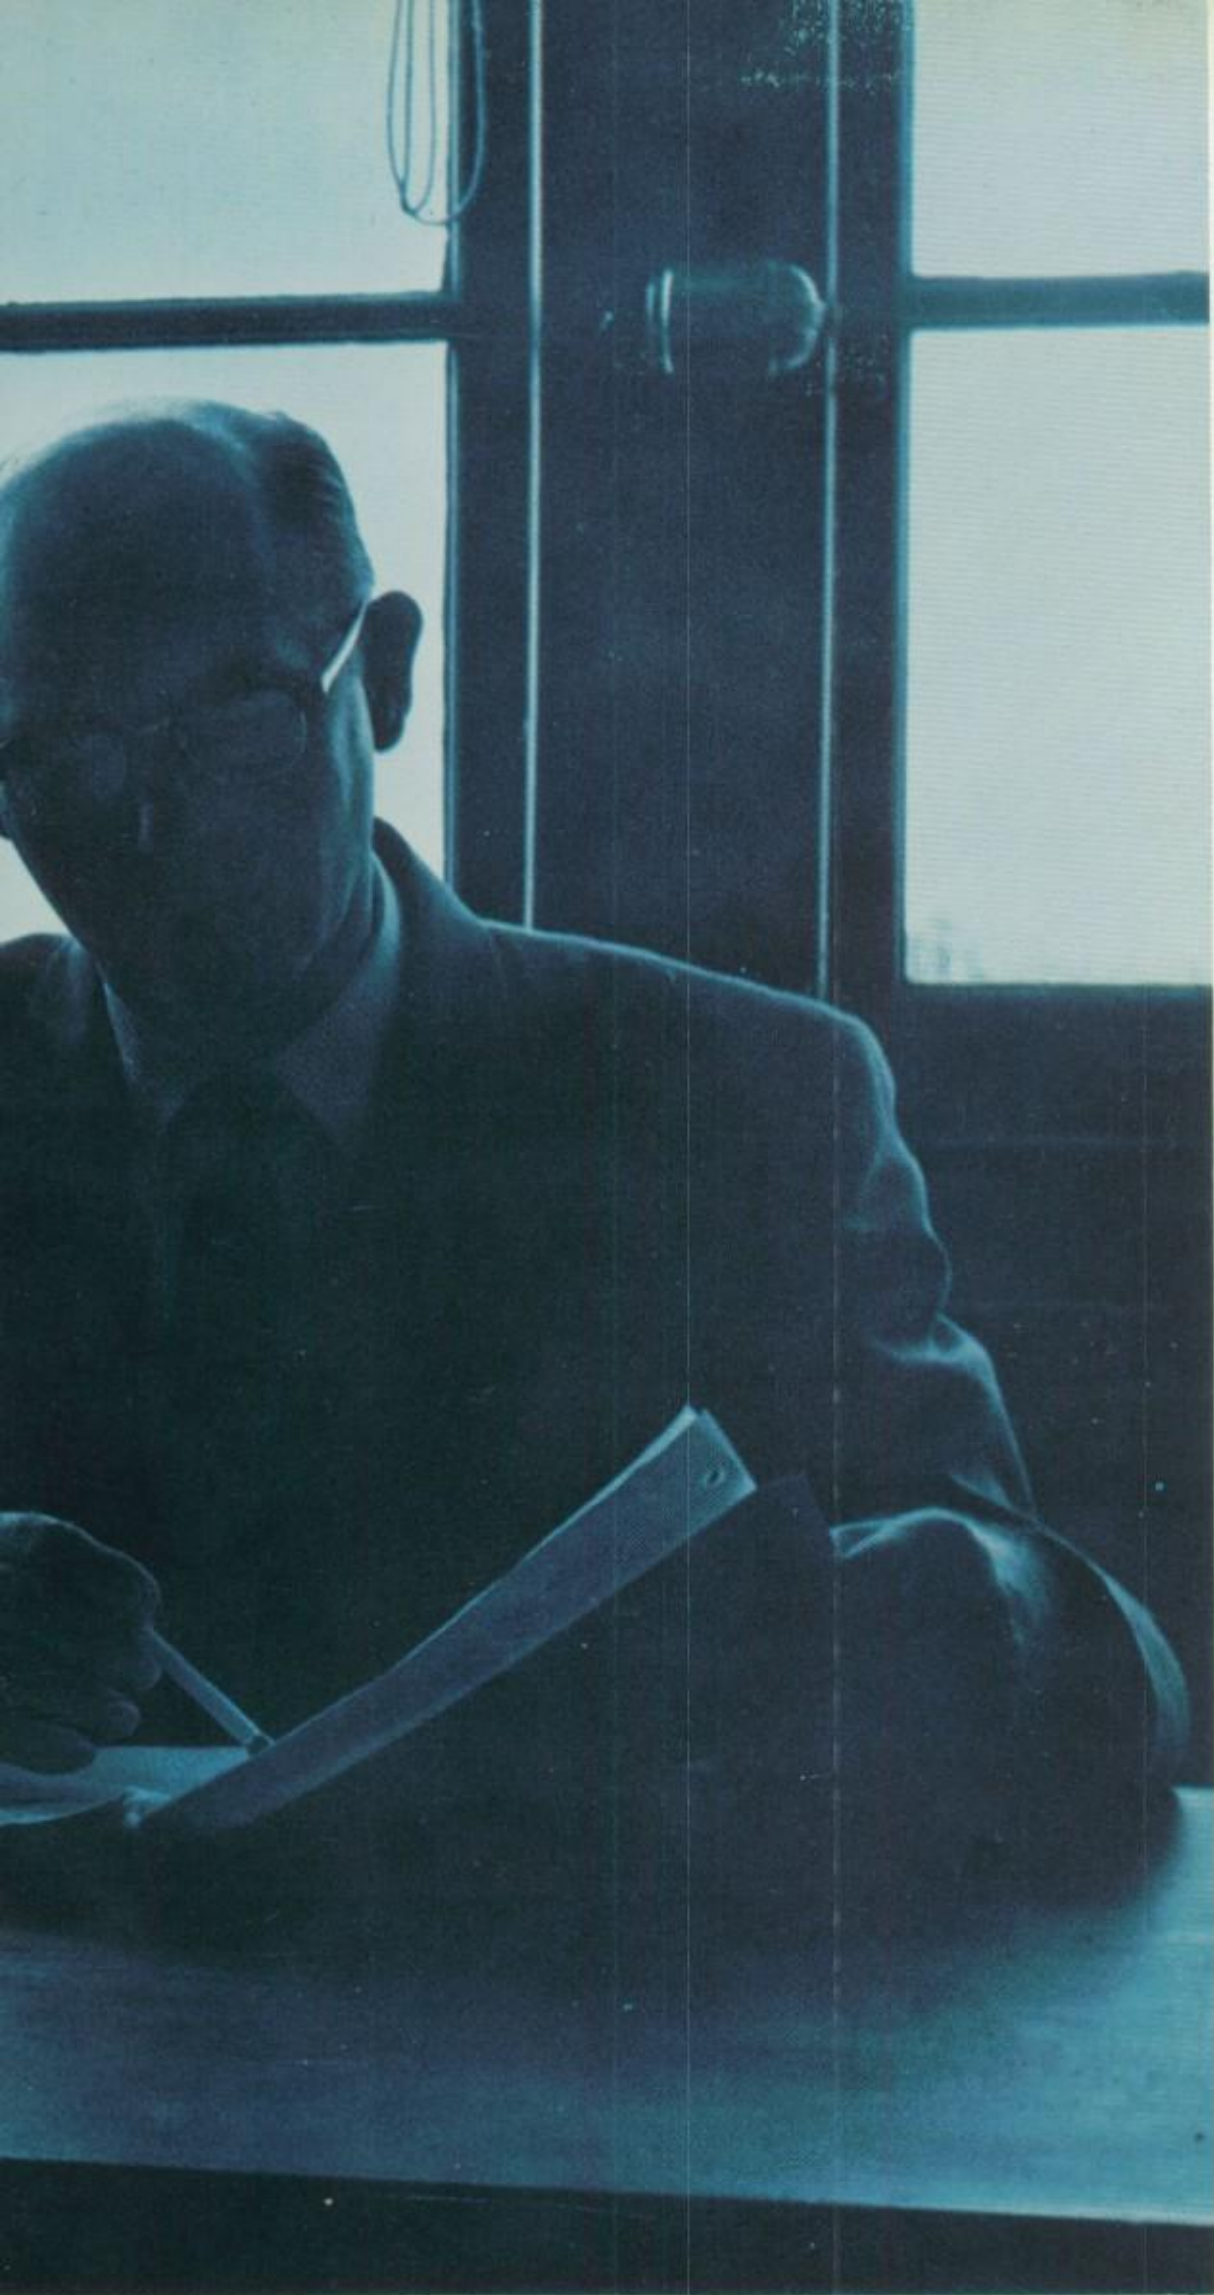

Dedication

In these years of our high school experience, it has been all too easy to lose sight of the great human structure which has been rising at Lee. Here, perhaps, we have too often become absorbed in those members of our institution who have been outstanding in various fields.

This annual is dedicated to the Robert E. Lee Graduating Senior Class of 1961 as a whole and to the goal which our teachers and previous graduates have envisioned for us.

THE HONOR CODE OF ROBERT E. LEE HIGH SCHOOL

The Honor Code is written for the purpose of giving our students a set of high standards toward which to strive. If YOU do your part our school will be a better place for you and those who follow in years to come. This code is a challenge. Live up to it!

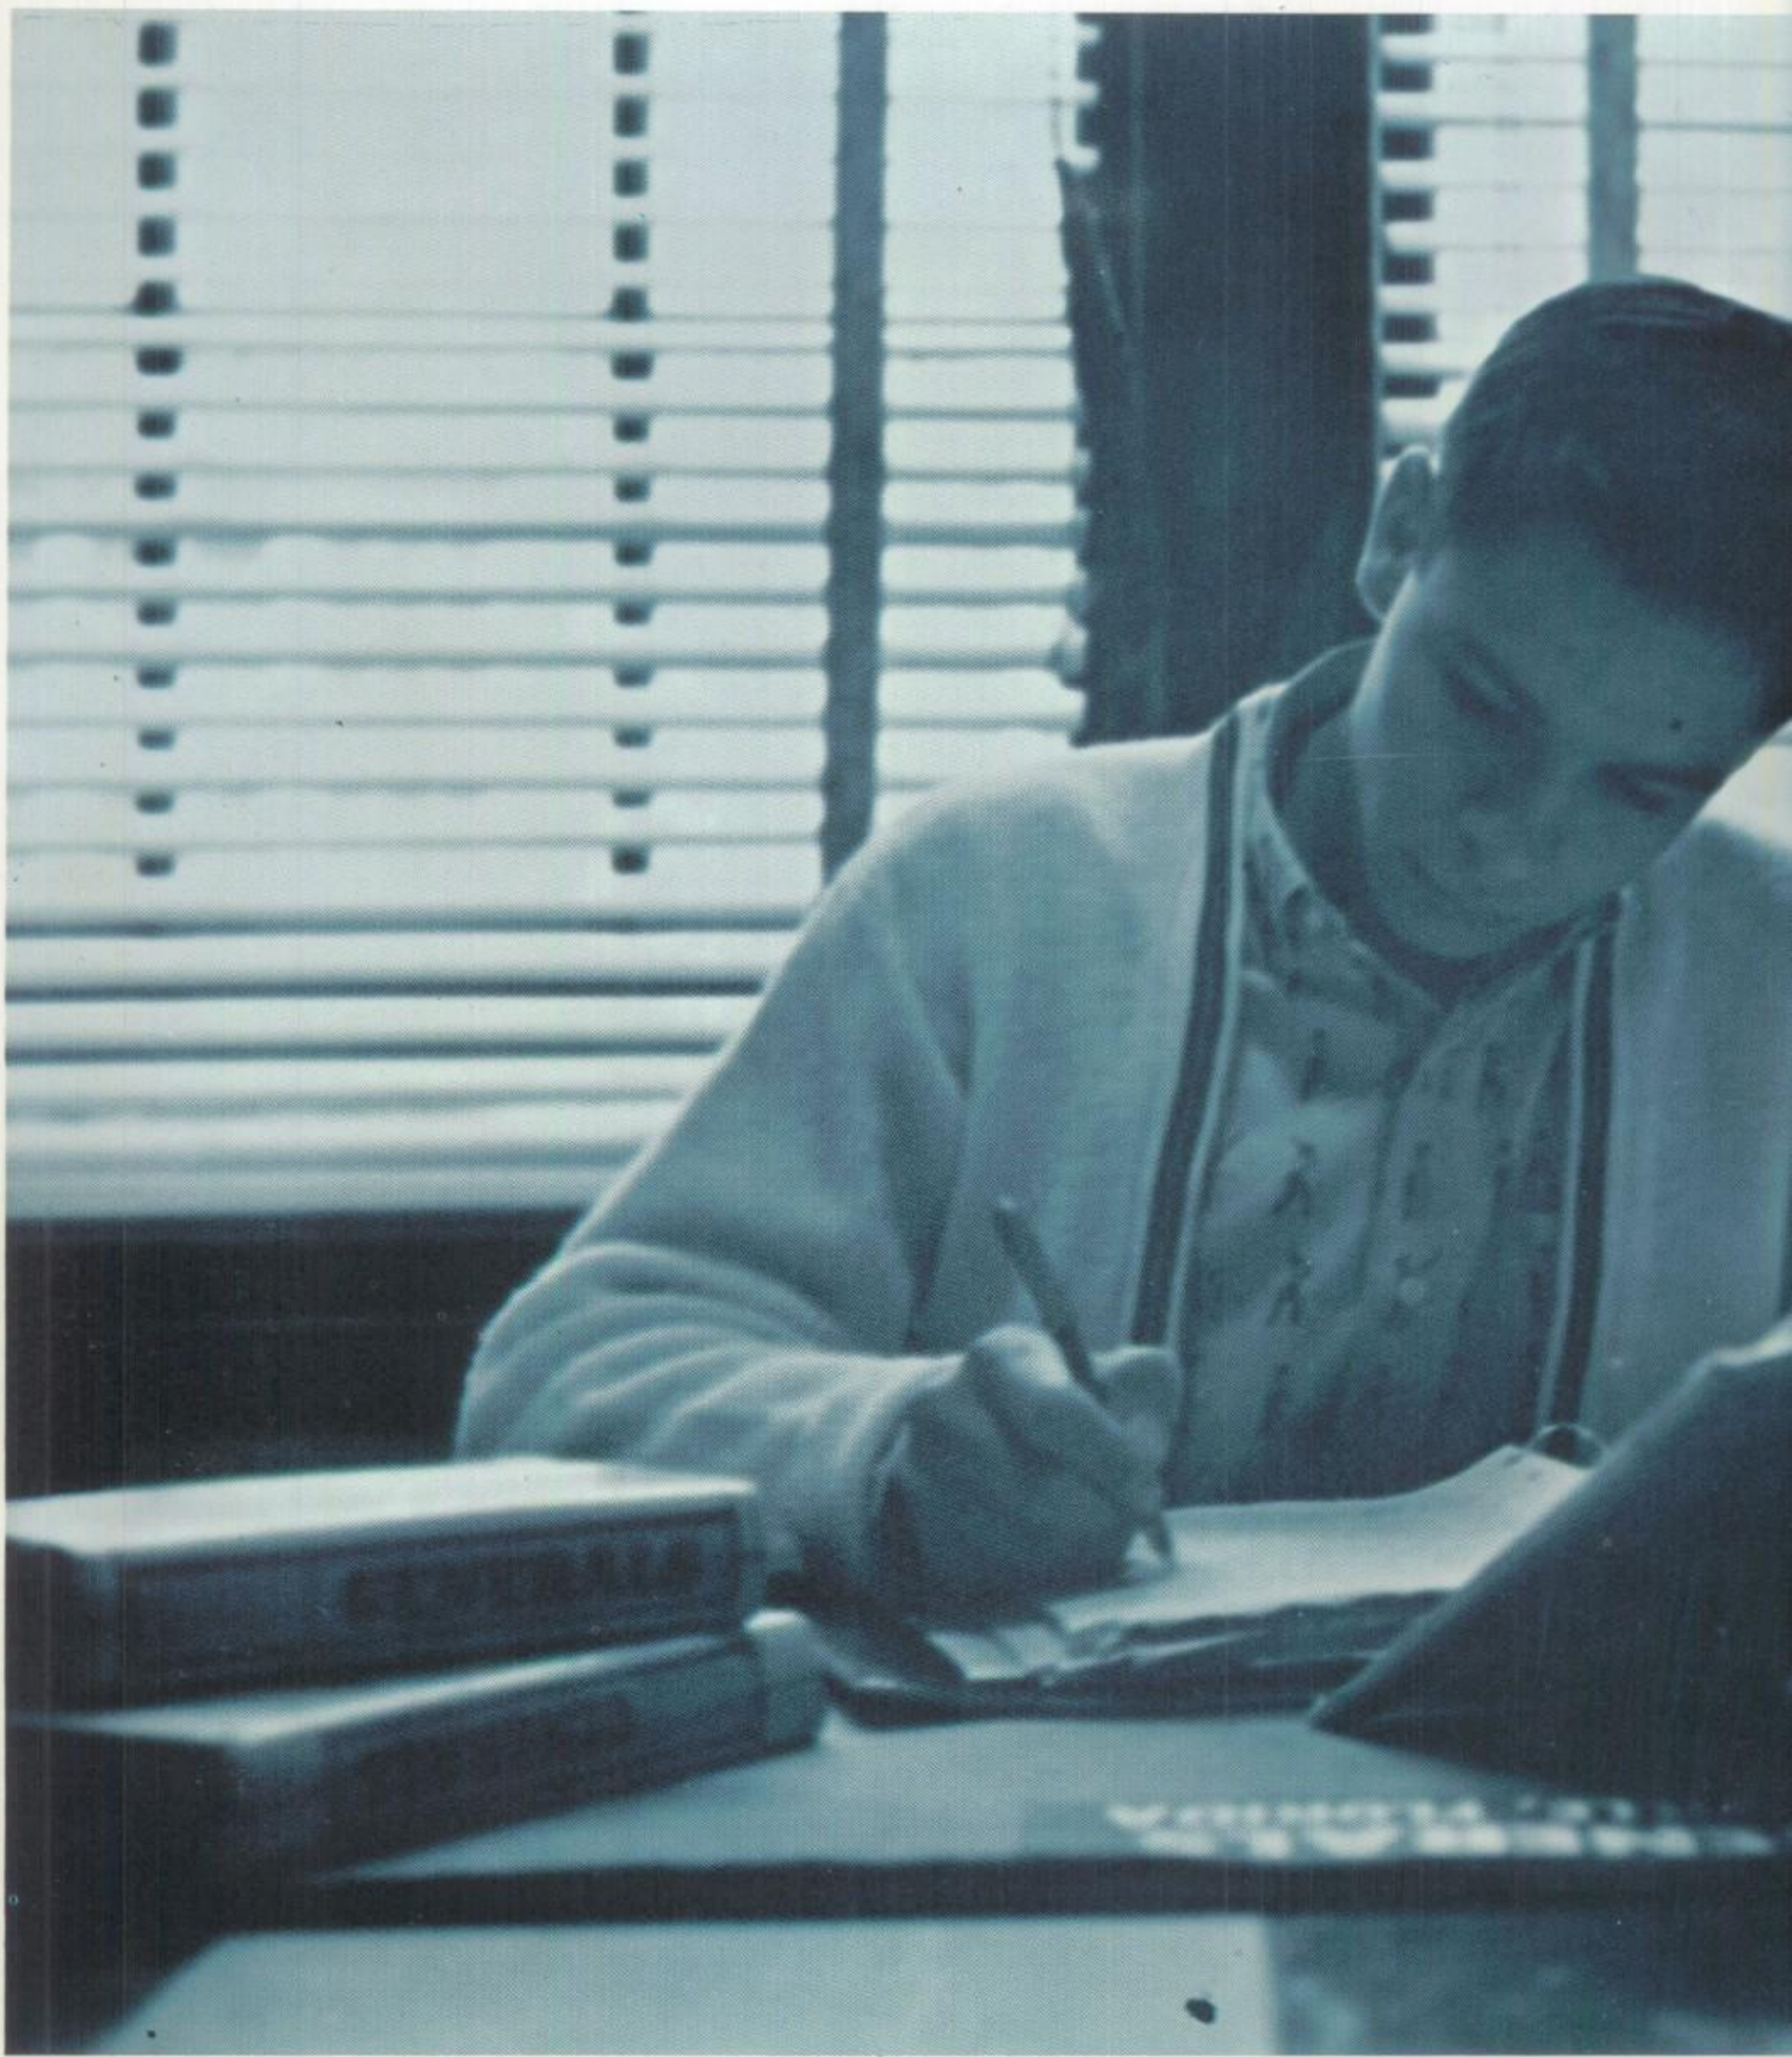

I, as a student of Robert E. Lee High School, will work for the ideals and welfare of this school both with confidence in myself and trust in God. I will sincerely try to obey the rules of the school and will encourage in my fellow students the same spirit of obedience.

I will strive unceasingly to:

- (1) Promote and maintain honesty in the classrooms
- (2) Cooperate with my fellow students and teachers
- (3) Improve my academic scholarship
- (4) Practice good sportmanship and develop in myself the qualities of a good citizen
- (5) Increase the spirit of service within the student body

By these endeavors we hope to improve continually the dignity and honor of our school.

THE STUDENT COUNCIL 1956-1957

Classes

Class History

It seems like only yesterday when we, the graduating class of 1961, entered Lee High School as sophomores. Mr. J. W. Gilbert, Principal, welcomed us on Orientation Day and prepared us for the coming year. It took us a few weeks, however, to become fully adjusted to the new faces, busy schedules, and no assembly periods.

Since our Sophomore Class was so large, it had to be divided into two groups. The students from John Gorrie had morning classes and all the Lake Shore students had their classes in the afternoon. To help us get adjusted to this new schedule, we had our election of Sophomore officers with the following results — Ronnie Gracie, President of Morning Sophomore Boys; Kay Haire, President of Morning Sophomore Girls; Doug Myers, President of Afternoon Sophomore Boys; and Mandy Harby, President of Afternoon Sophomore Girls. Now we really felt as though we belonged.

At our football pep rallies, we really began to show our "Lee High Spirit." We were very proud of our football team and at the games that followed our pep rallies, we proved that "nothing could knock ole Lee High down!"

Almost as soon as it began, our sophomore year ended.

Because of the completion of a new high school, we were able to return in the fall as one group of Juniors. For this year, Doug Myers and Susan Slaughter were chosen as our leaders. The annual Junior Boys' and Junior Girls' Fashion Shows were hard work preparing, but the time spent on them certainly paid off — they were both a huge success!

The Y-Teens and Hi-Ys, along with their service projects, socials, and various activities, made our days pass rapidly. At the close of this wonderful year, we chose Howard Hanger to lead our next year's Student Council. Then the closing Highlights of our Junior year — the Junior-Senior Prom.

When September of 1960 came, it brought our most momentous year — our year as Seniors. As we, the old Juniors, graduated to this revered post, our joy in finding Mr. Kirkham as our new principal was tempered with our regret of having lost our long, honored friend, Mr. Gilbert.

The excitement of this long-awaited year commenced under the leadership of our newly elected officers — who were as follows:

Doug Myers, President of Senior Class; Linda Langston, President of Senior Girls; and Stew Irwin, President of Senior Fellows. The first project of the Senior Class was the annual Calendar contest which once again proved to be a success. Our Fighting Generals made us truly proud by becoming State Champions in football. We were also victorious in both the Thanksgiving Day Game with Jackson and the Meninak game with Terry Parker. Charles Story and Skip Brogli were elected as their captains.

The Senior Girls were soon given their chance to display their skill on the gridiron in the annual Powder-Puff game. The game proved to be a memorable one for the victorious Powders as well as for the vanquished Puffs, the score being 12-0.

The year continued to bring various, long-awaited activities — the Senior Girls' Jubilee, Senior Fellows' Vodvil, beauty contests, dramatic productions, and the Spring Dance.

Now our Senior year has come to a close. But each of us are left with unforgettable memories of our three wonderful years at Lee. We have gained much from these years — experience, knowledge, and life-long friends. Our crooked paths have been ironed straight — our goals for the future have been set.

A busy and varied schedule of events combined with proficient and energetic officers and sponsors made this year a very successful one for the Senior Girls' Club. A get-acquainted party in the fall headed the list of the Club's events. The Powder-Puff game and the Jubilee, foremost activities of the Senior Girls, were acclaimed highlights of the past school year. The annual luncheon, tea, and picnic climaxed a fruitful term.

Outstanding Graduates

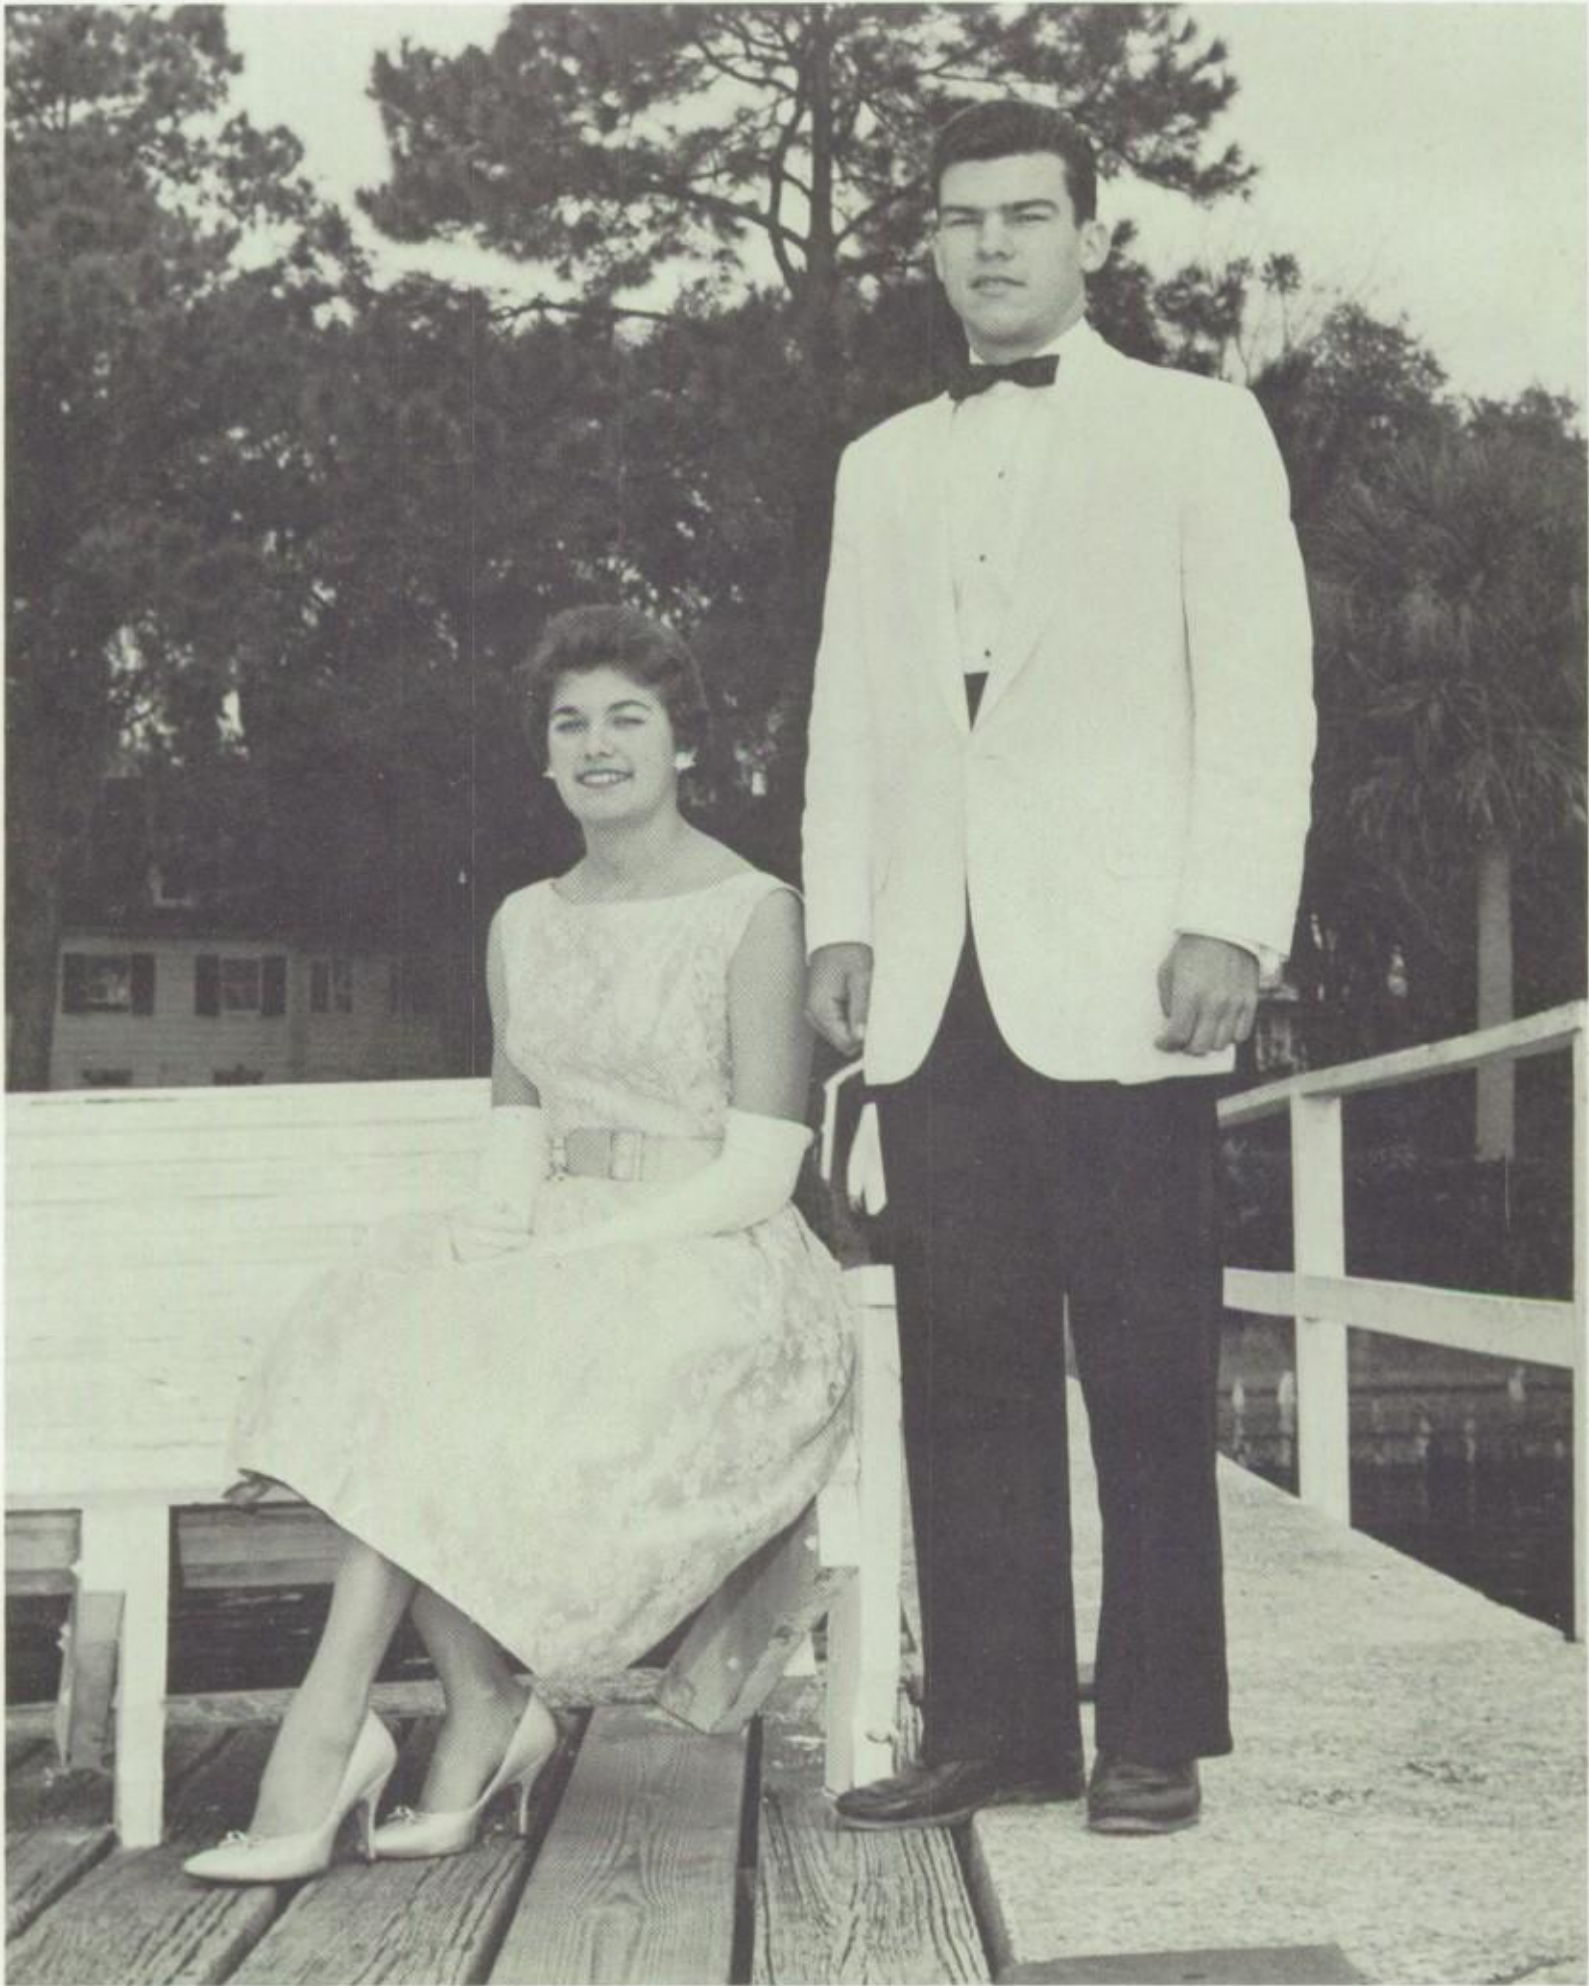

Ann Gilliland

Gifted with intelligence and talent, Ann has gained recognition during her years at Lee. She is Chaplain of the National Honor Society, is on Senior Girls Advisory Council, Vice President of the Junior Friday Musical, and is a member of Kappa Y-Teens. Ann has been honored by being invited to join the Jacksonville Symphony. Much hard work has won for her an "early acceptance" to Duke University. Lee pays tribute to a talented Miss who had the will and found the way.

Bill Strickland

Bill's abilities can be seen in all of his undertakings. A member of National Honor Society, his intelligence is to be admired and respected. Bill has served Lee in many capacities, some of which are Chaplain of Senior Fellows, Powder Puff Cheerleader, BLUE & GRAY Senior Class Editor, and Chaplain of Beta Hi-Y. Bill's leadership ability as well as his determination will lead him to the greater things in life. Characteristic of his scholarship ability, Bill has also been rewarded with an "early acceptance" to Duke University. Words cannot express the depth of Bill's intelligence.

Outstanding Graduates

Mandy Harby

As one of Lee's most popular leaders, Mandy will long be associated with our Lee memories. Outstanding in all her activities, this young Miss is President of Alpha Y-Teens, Mascot of Beta Hi-Y, and First Vice President of Little Women. Her greatest honors at Lee are being First runner-up in the Miss Hi-Y Contest, being elected to National Honor Society, and Secretary of the Senior Class. Mandy will always be a welcome part of any activity.

Skip Brogli

Charming, handsome, sincere, interested in others, capabilities of a leader, Skip has made something of his Lee life. His activities range from Football Captain to membership in the National Honor Society. Those between these extremes are Mascot of Beta Y-Teens, Secretary of Beta Hi-Y, and Treasurer of the Senior Class. Continued success to a fellow who possesses the necessary qualifications.

Outstanding Graduates

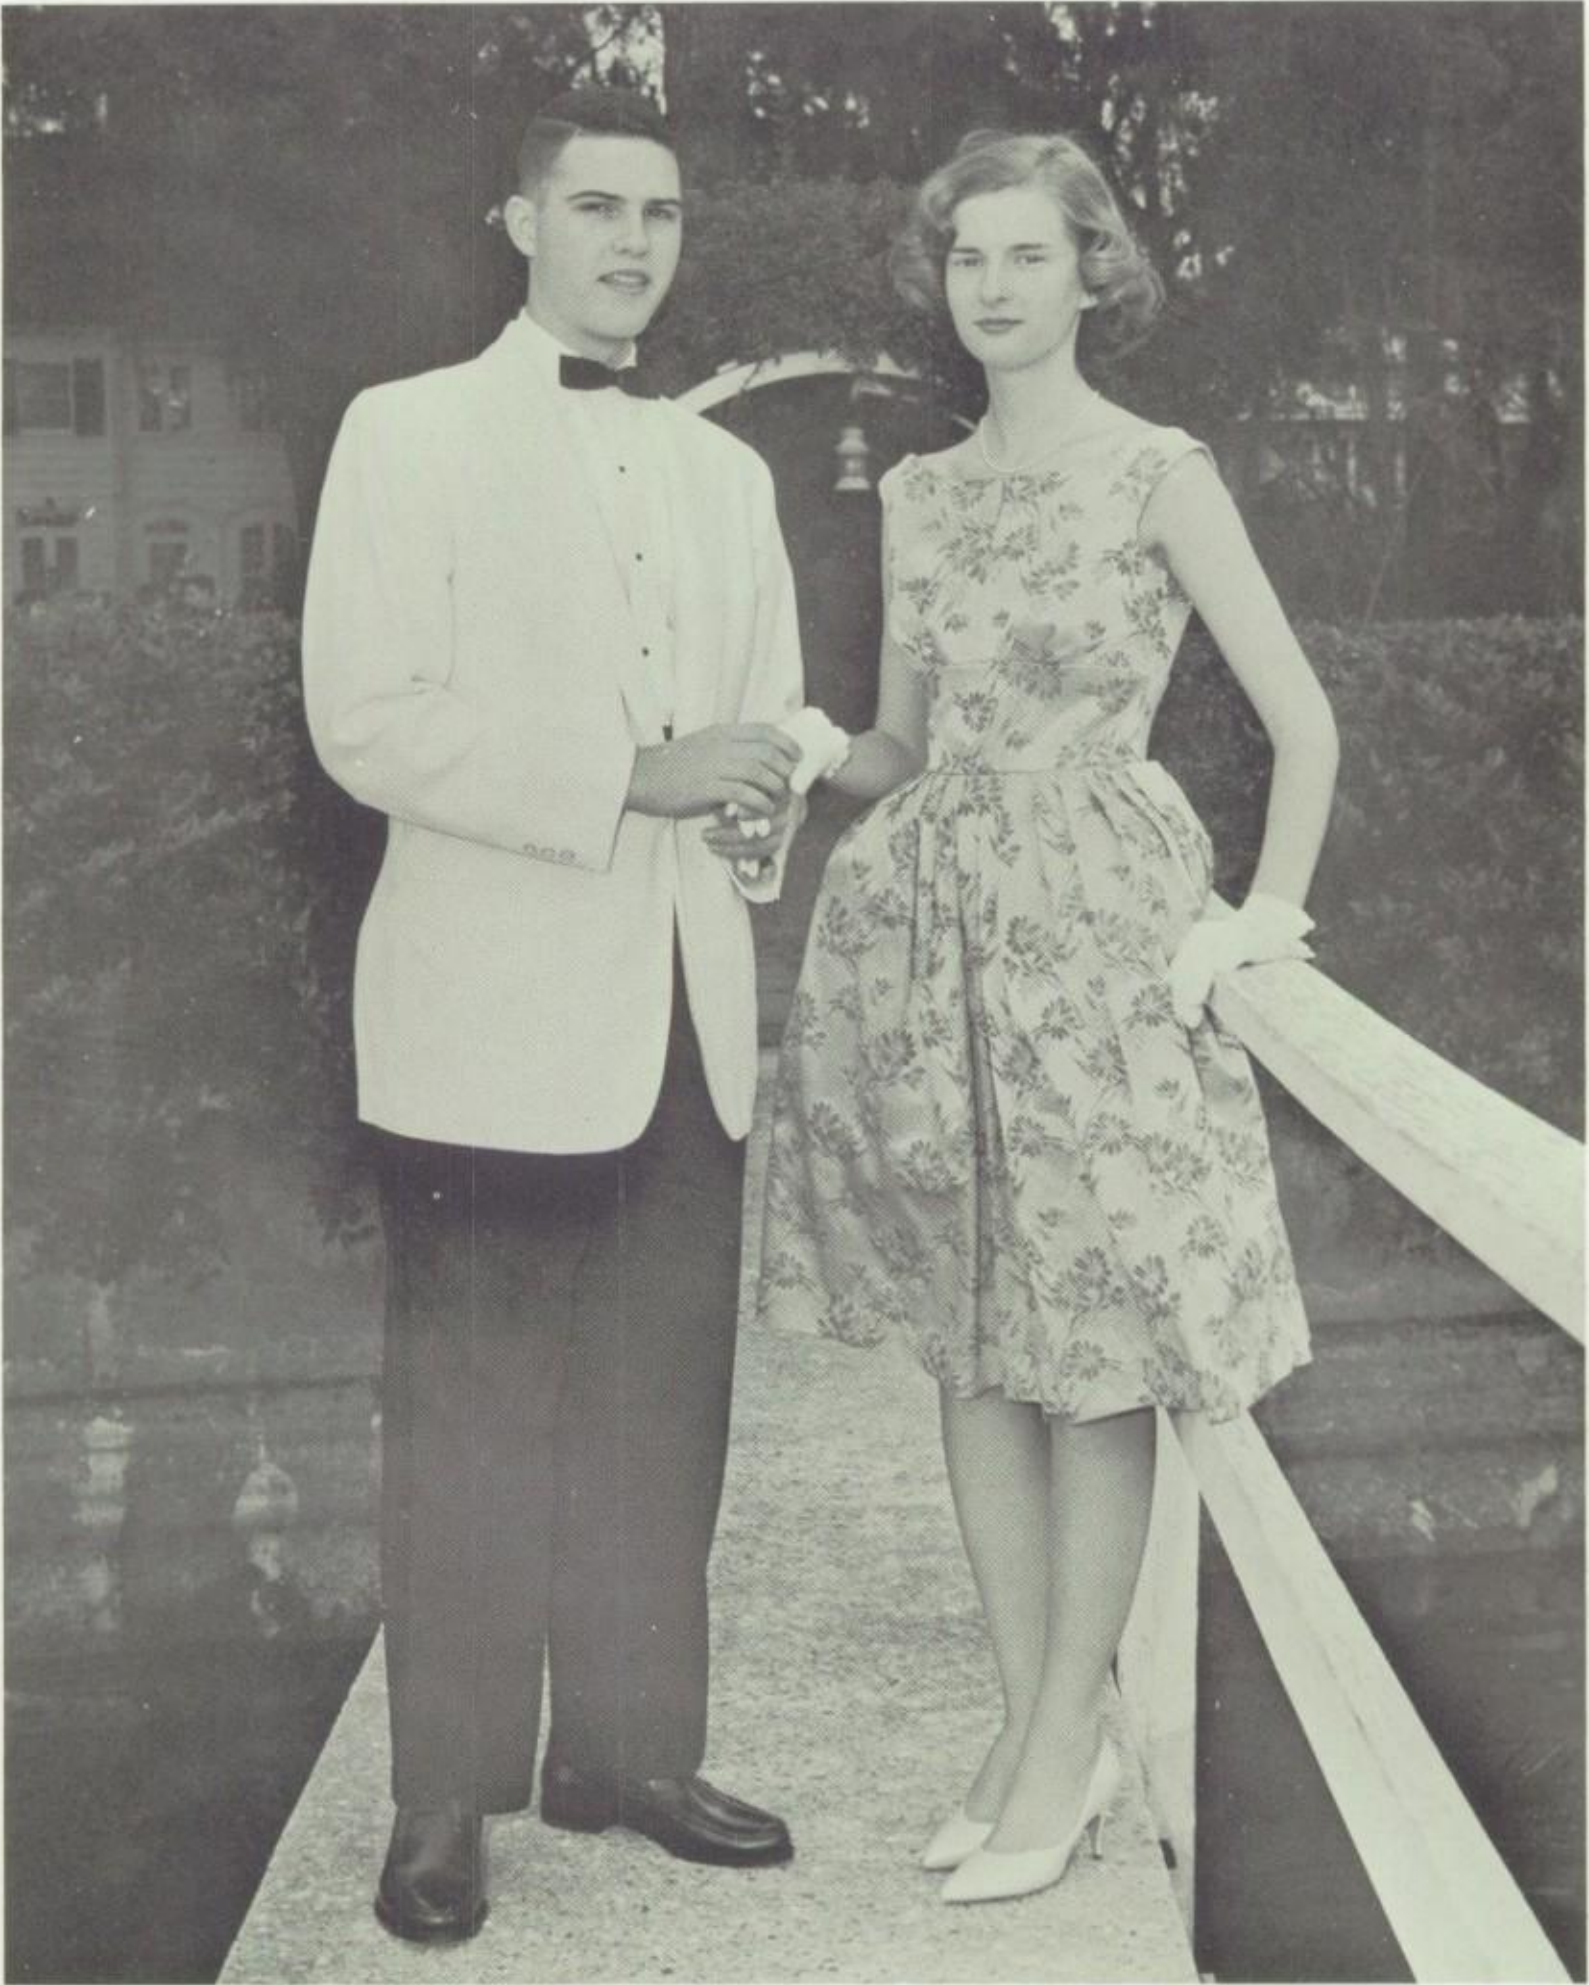

Martha Bryson

As Co-Editor-in-Chief of the BLUE & GRAY, Martha has worked hard with a deep sense of responsibility. She has been enthusiastic, cooperative, and considerate of others. Although she holds many offices, she had the ability and skill necessary to divide her time equally. The activities in which she took part are: Vice President of Kappa Y-Teens, Vice President of Quill & Scroll, Captain of Powder Puff Team, President of the Y-Teen Inter-Club Council, a member of Little Women, and the Senior Girls Advisory Board. Friendliness is her habit; a willing heart, her custom; and leadership the key to her success.

Joel Bagnal

Joel, endurance, foresight, and skill. These are synonymous words. As Art Editor of the BLUE & GRAY, Joel needed these characteristics daily. He possesses those qualities, too, that need not be mentioned, for in his presence you are aware they are there. A member of Kappa Hi-Y and Quill & Scroll, he has broadened his horizons. Truly talented in the field of art, Joel will most certainly succeed in the future.

Outstanding Graduates

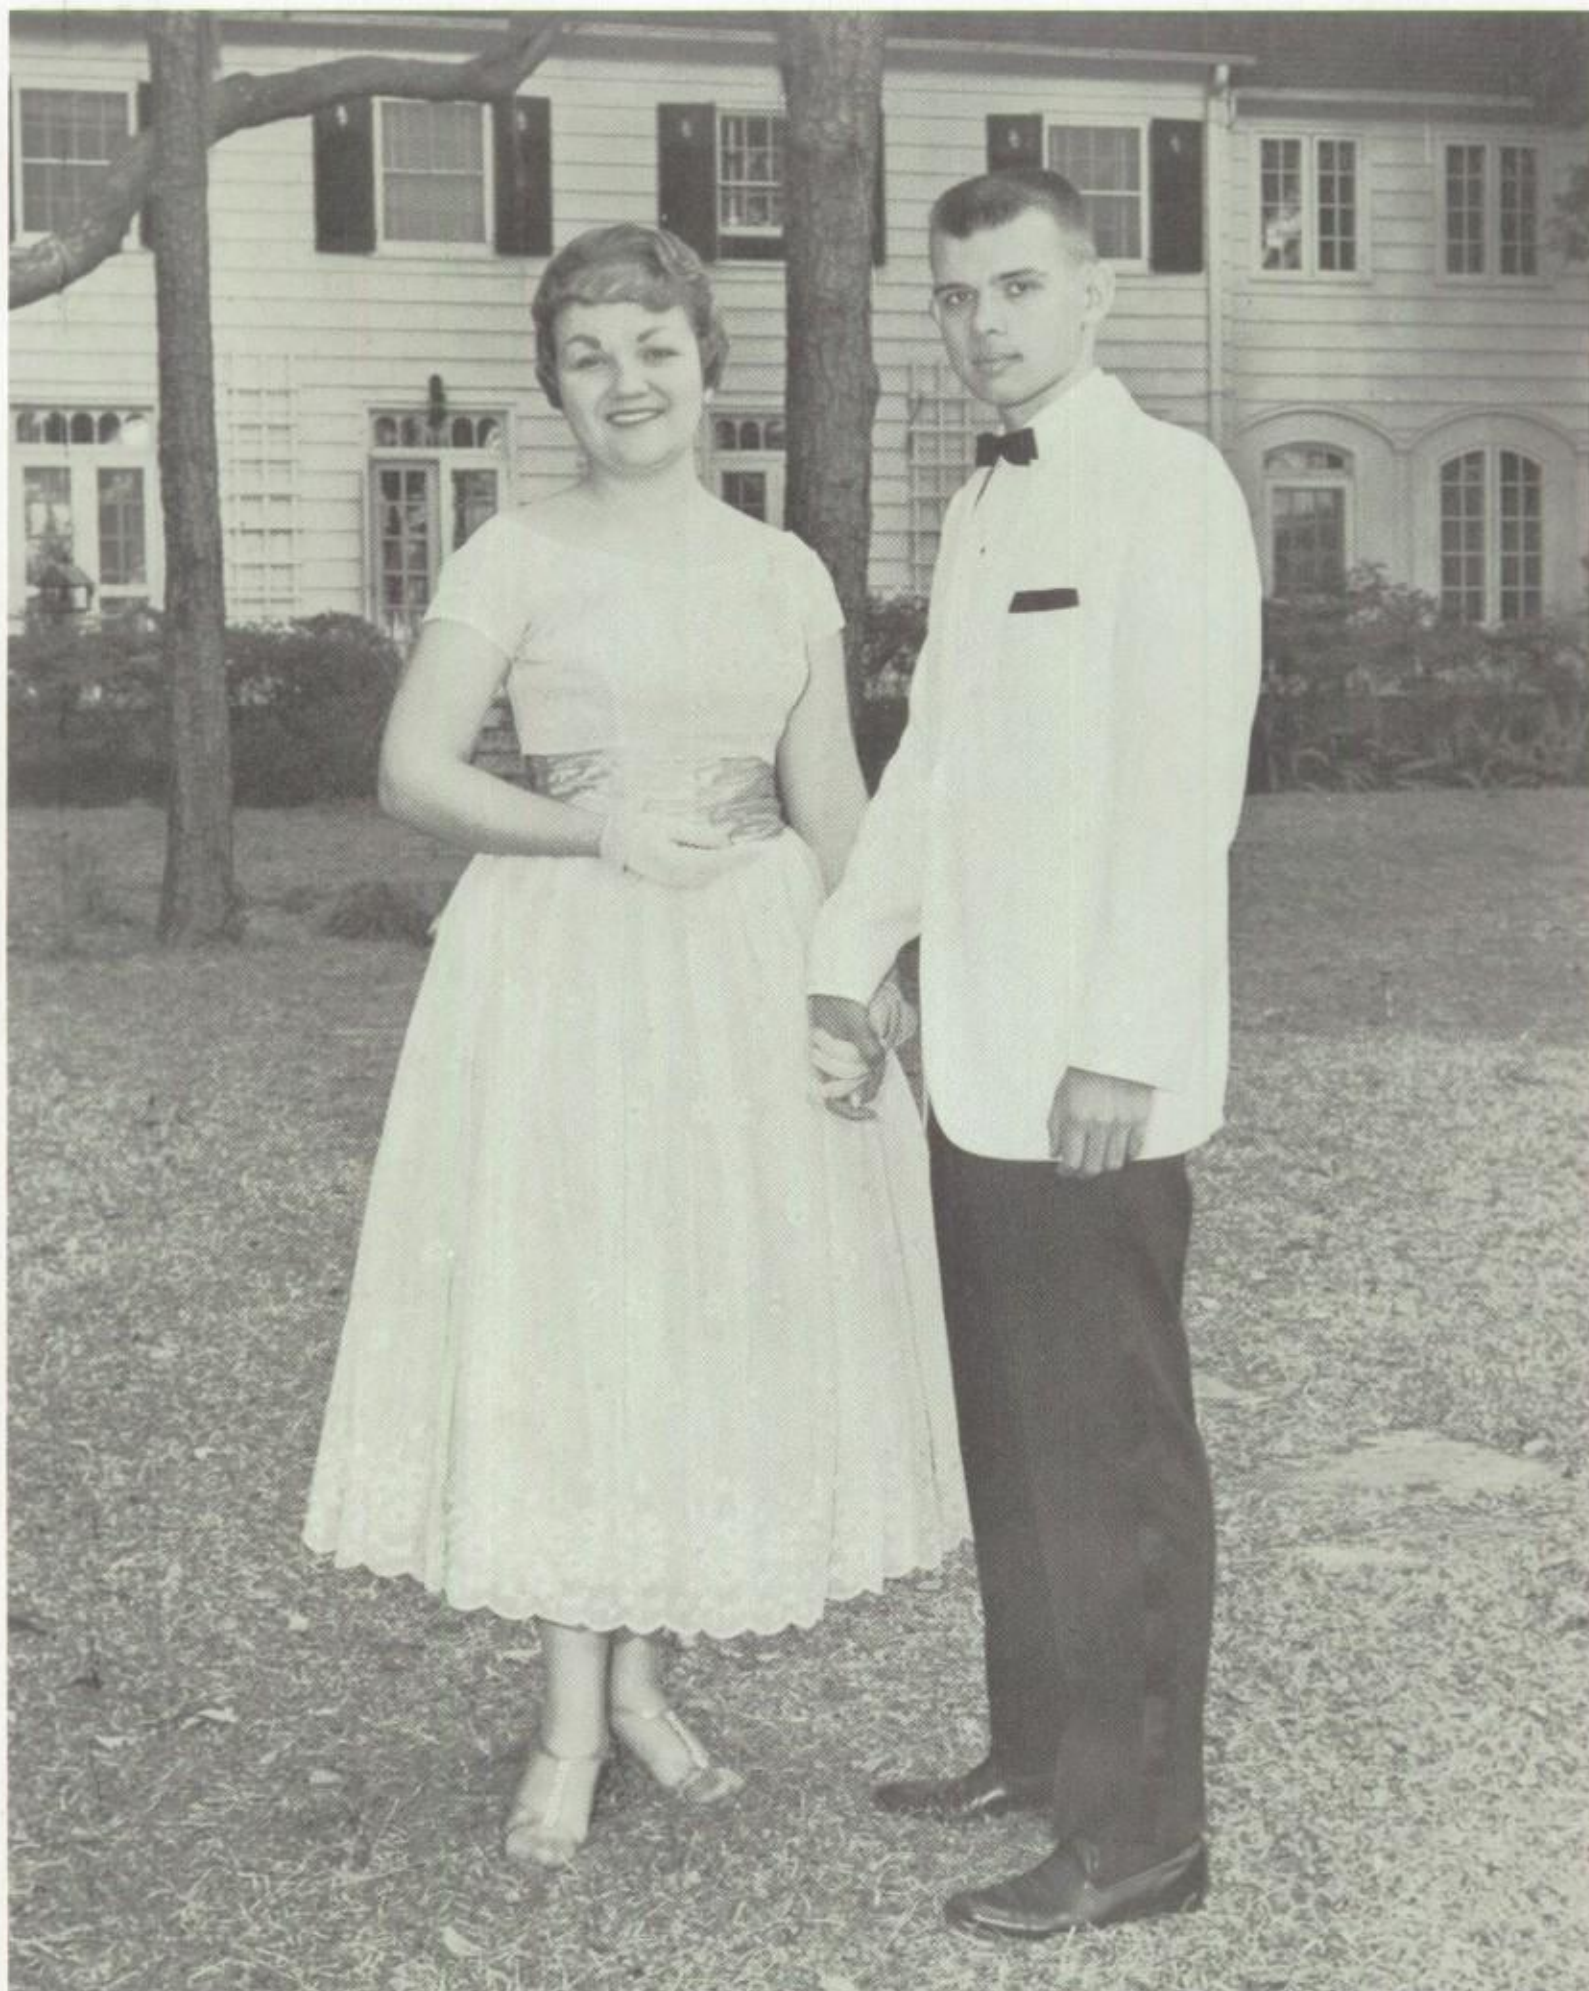

Susan Carithers

Susan, Co-Editor of the BLUE & GRAY, displayed her talents of leadership during the past years. Her achievements have trained her for this leadership and for those of the future. She has served Lee well as Chaplain of Quill & Scroll, Senior Girls' Advisory Council, Treasurer of Delta Y-Teens, Corresponding Secretary of Little Women, and a member of the National Honor Society. Susan has shown interest in all her undertakings with the willingness to work. She has the ability and has won fame by her hard work. Many times she gets things done by doing it herself. Continued success to a mighty wise gal.

Bill Blackard

Bill is the boy behind the scenes who deserves much credit for his tremendous help in making publication of this annual possible. As Business Manager of the BLUE & GRAY, he performed the essential task of selling ads. Bill is also Sgt.-at-Arms of Quill & Scroll, a participant in the Junior Boys Fashion Show, and was an endman in the Senior Fellows' Vodvil. We thank Bill for a job well done and wish him luck in the future.

Outstanding Graduates

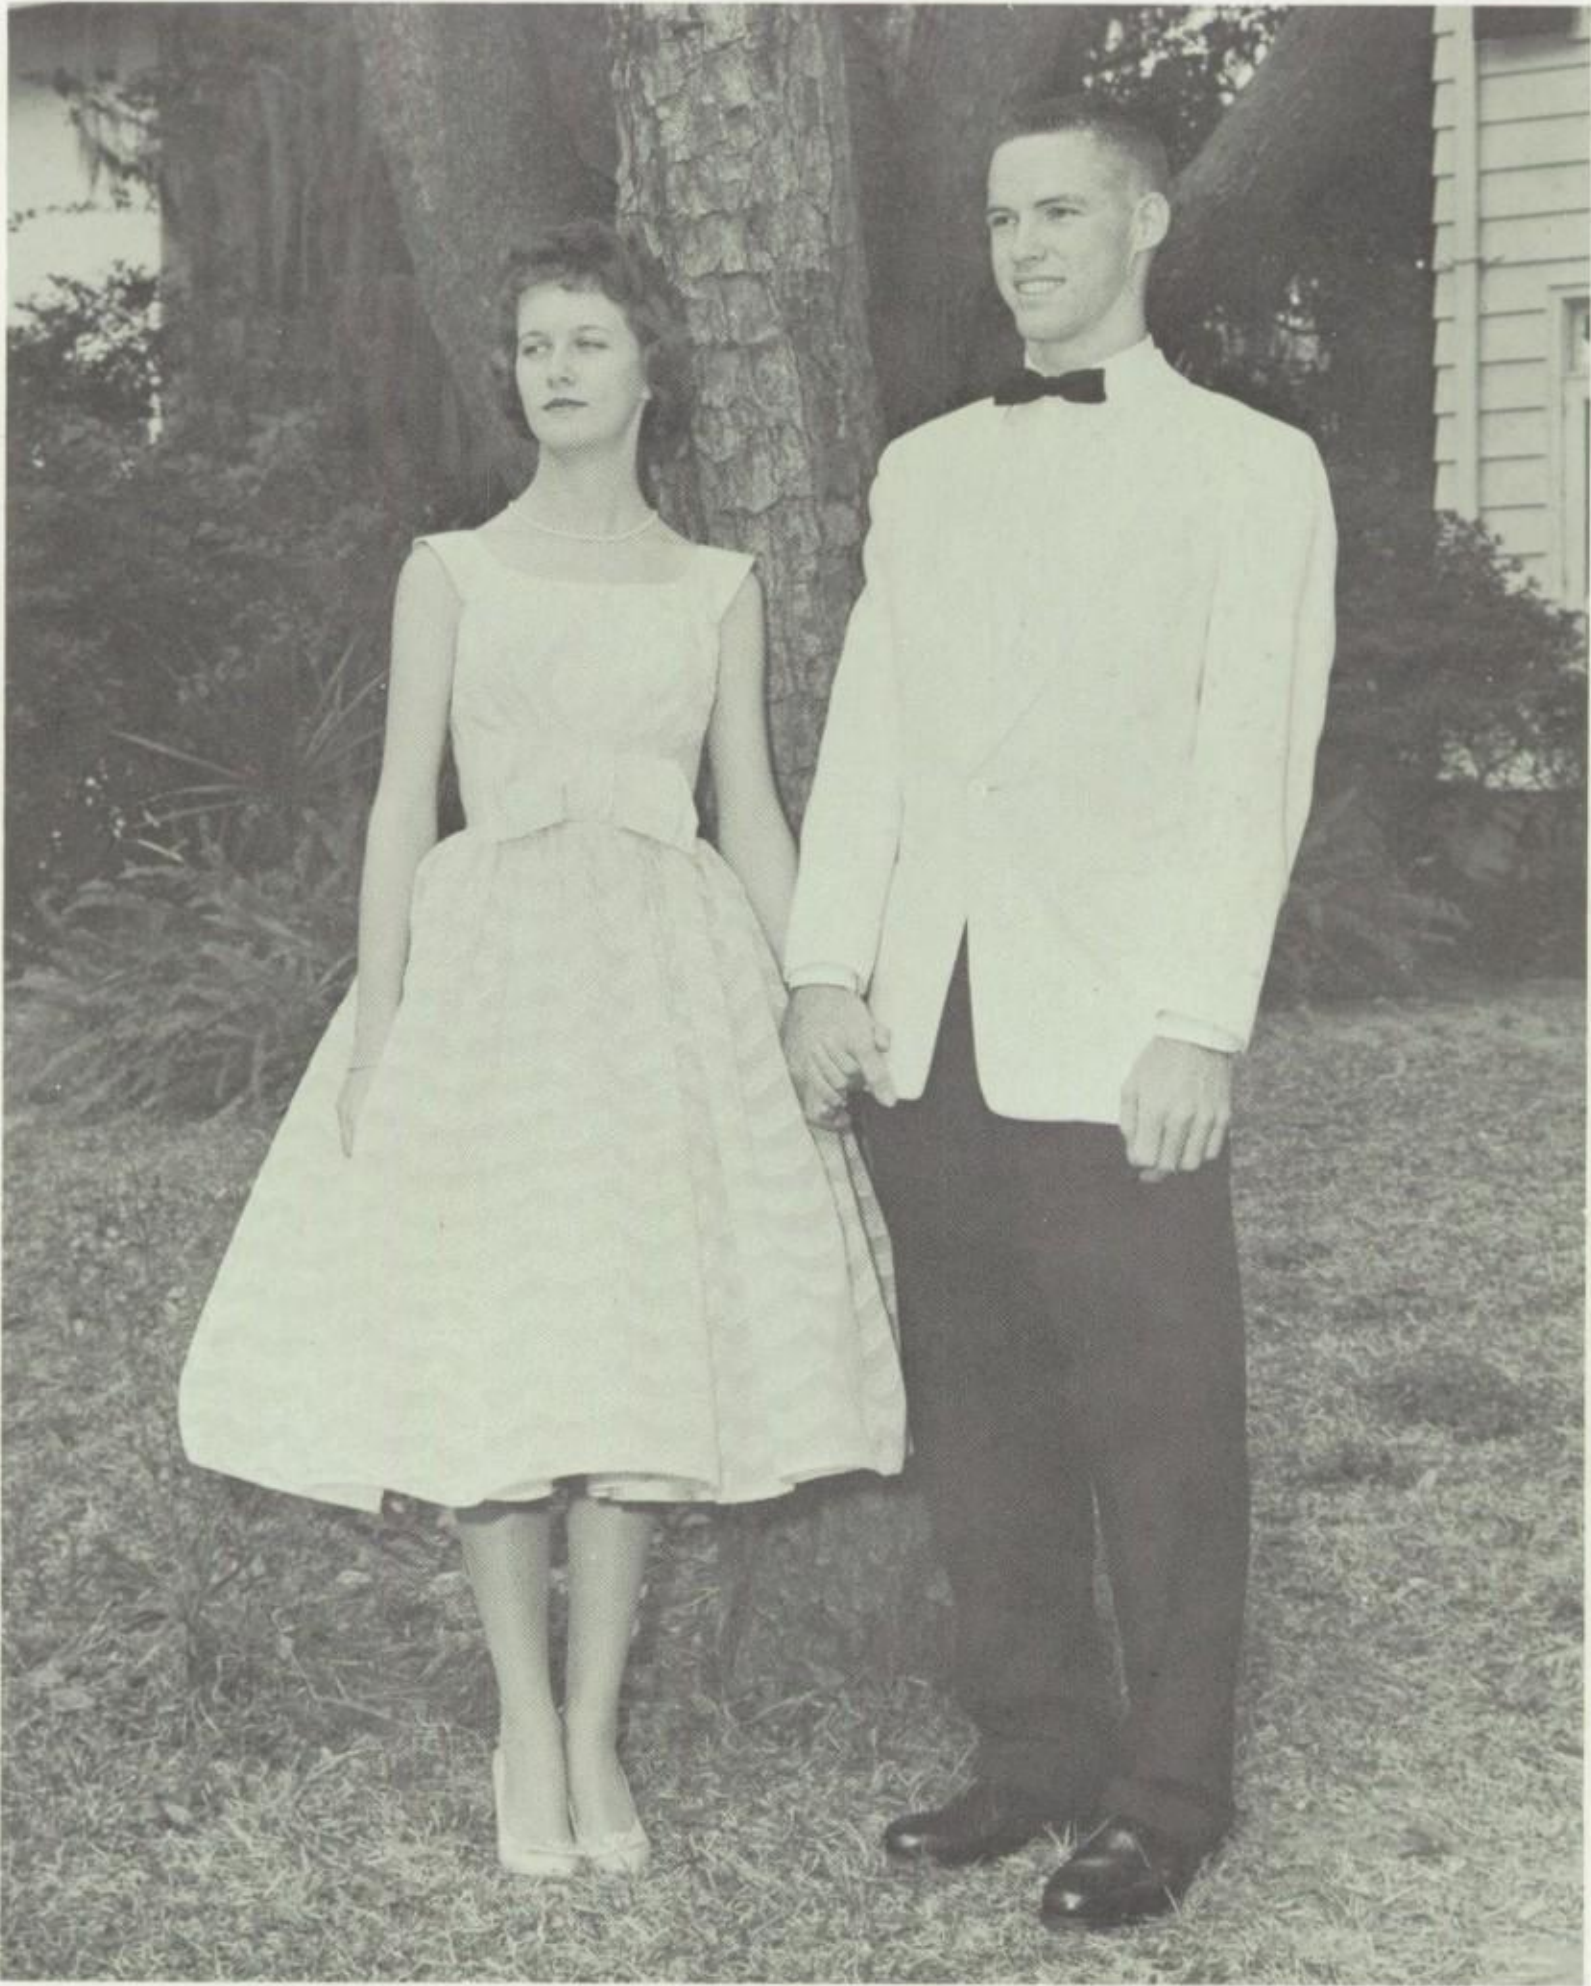

Diane Bethea

This talented young Miss has excelled in the field of music. She is President of the Senior Chorus, and has been accompanist for two years. She has participated in various activities—Jacksonville Youth Chorus, State Chorus and the Senior Girls' Jubilee. She is a member of the National Honor Society. Diane has displayed splendid talent and has great opportunities to look forward to. She is never sharp or flat, rather she is one who naturally strikes a good note.

Nelson Moyer

Nelson is President of the Lee Band. He plays in the orchestra, and in the Jacksonville Junior Symphony. He is a member of the All-State Band and is music librarian. His remarkable talent has been an asset. This talent and the one talent that encourages hard work make Nelson a true musician.

Outstanding Graduates

Maridell Walters

A quick smile, a friendly hello, always ready to lend a helping hand. These are the things we associate with Maridell. This versatile Miss is Vice President of the National Honor Society. Her scholastic achievements match her leadership abilities. She served as a Senior Girls' Group Leader and participated in the Senior Girls' Jubilee. Maridell's versatility has made her outstanding qualities appreciated by many.

Jimmy Erwin

Jimmy, whom most of us see with a smiling face, has many leadership characteristics. He is dependable, courteous, and can carry the load of responsibility no matter how great. He has proved his skill in the past year in the capacities of Chaplain of the National Forensic League, Chaplain of the Student Council, and a member of Gamma Hi-Y. Yes, Jimmy is known for his pleasing smile and greatness of heart.

Outstanding Graduates

Linda Towne

By exercising her athletic ability in Letterettes, Linda has attained recognition. She has joined various social activities—Sigma Y-Teens, of which she is parliamentarian, and the Library Council. She participated in the Powder Puff game and Senior Girls' Jubilee. A rewarding future is surely in store for Linda, a girl who does her duties in a quiet way.

Bucky Fry

Cheered in the world of sports for his versatility and admired by his classmates, Bucky has exemplified leadership by serving as President of the "L" Club. In addition to participating in Varsity Football & Basketball, Buck is also a track star. He is an active member of Gamma Hi-Y, in which he serves as Secretary. These are the accomplishments that make Bucky a player unequaled, a sportsman complete.

Outstanding Graduates

Paula Wavro

Paula's speaking ability and other talents have brought her recognition. She is a member of the National Honor Society, is Treasurer of National Forensic League, belongs to Delta Y-Teens, Little Women, and works on the Dean's Staff. She has acquired the traits of a leader outstanding. Good luck will follow one with hope and determination.

Bob Rozear

As President of the National Forensic League, Bob has proved his ability in the fields of debating and public speaking. He is a member of Demolay, Writers' Club, and was a Powder Puff cheerleader. Bob has truly met Lee standards of leadership, friendship and service.

We're the Powerful Powders!

Powder

On December 17, 1960, the Powders, led by Captain Martha Bryson and Co-Captain Renny Chambliss; the Puffs by Captain Carol Linz and Co-Captain Kay Jordan met on the gridiron for another round in the annual feud.

The action was started in the first quarter when Powerful Powder Claudia Chapman ran a beautiful touchdown play. Chapman repeated this feat in the third quarter. She certainly deserved "Out-standing Player of the Powders."

Pick of the Powders!

Those Old Cheerleaders Just Ain't What They Used to Be!

Free for all!

All Tied Up!

Neither Are These!

Puff

Pride of the Puffs!

The Puffs played a good game, but luck just wasn't with them. Most outstanding player, Kay Morlock, was "working hard" but the Tuff Puffs couldn't "hold that line."

Although the final score was 12-0 in favor of the Powders, the game holds memories with its exciting moments for all who participated.

"Gibsey"

We're Ruff, We're Tuff, We're Puffs!

Student Council Officers

The Robert E. Lee Student Council is an organization whose primary purpose is "to create and maintain a better spirit of cooperation between the student body and the faculty." Its continuous projects of the year were the conduction of pep rallies, the operation of the School Store, and the Presentation of the Voice of the Student Council, a program of student speakers on the P.A. system. The major project was the purchase of new stage curtains. During the past year the Council has also sponsored the Thanksgiving Dance, the Miss Lee High Contest, sent delegates to the Florida Association of Student Councils Convention, and participated in the county sportsmanship committee. It supplied posture chairs for the office. We feel that through these activities the Student Council has fulfilled its purpose this year.

Writing stories, selling ads, rushing to meet deadlines, and editing copy have been monthly occurrences for the members of the Traveler staff this year. Folding each issue of the school newspaper has given staff members real "newspaper" experience. The Blue-Gray Dance and a faculty-student basketball game were projects sponsored by the journalism class. The Traveler was one of nine state winners in the Florida Tuberculosis and Health Association School Press Projects.

National Honor Society

The National Honor Society serves to recognize outstanding students who, during their high school years, have maintained excellence in scholarship, strength in character, capability in leadership, and benevolence in service. National Honor Society members are reminded at the impressive induction that these points of the keystone, are meaningful only when they stand united as aspiring goals of achievement. High ideals of individual ambition are stressed as personal application is collaborated with the four points.

Scholastic assemblies are sponsored by the National Honor Society at the end of each six weeks period, and the popularly used Lee Student Directory is also a project of this Organization.

NHS comprises an asset to Lee not only for its profound interest in scholastic achievement, but also for its continuing record of high ideals in character, leadership, and service.

The members of the Third Year Latin Club have enjoyed and benefited from initiating this club to Lee High School.

Our activities have been based upon our study of Virgil's AENEID. The main projects for this year have been the "Pilgrimage of Aeneas" and our "Roman Holiday", a spectacular event presented for the entire student body. Under the guidance of Mrs. Hilda Brantley, our success has been obtained.

"Would anyone like to buy a ticket to the Roman Holiday?" This was the cry heard by the student body from the Latin Club members. For the first time in Latin Club history a Roman Holiday was put on by the Latin Club under the supervision of Wayne Mixon. It was held on the Ides of March which is March 15th.

It was possible for any Latin Club member to participate in the Holiday, but members of the court were elected to their position by the class. The costumes were made under the supervision of Lynn Pullen and the whole function was sponsored by the 3rd Year Latin Class.

The students who act as assistants in the library play an important part in running the school library. Our two librarians, Mrs. Sparkman and Mrs. Bosman, instruct their assistants in library work. The assistants are then ready to help their fellow students find books, materials for reports or themes, check books in and out and many other things that keep the library running smooth.

"All work and no play makes Jack a dull boy." Dull, these students are not. They have social activities and attend meetings of the District Library Council. A few of them attended Library Camp this spring in Leesburg. All in all, this year has been quite busy.

Glee Club

Seeking to combine music and pleasure, the choruses have been an enthusiastic and hard working group this year. After fall preparation, the senior chorus and the orchestra presented a concert at the Women's Club in December. Then in a thrilling concert at the school, all the choruses participated. The Christmas specialties were a caroling party and the marriage of Mr. Johnson. In January nineteen students attended state chorus clinic in Tampa.

Spring gave the choruses contest fever. Everyone participated in the District Contest, and the Senior Chorus placed, thus became eligible for state competition. The latter was also busy all spring with local civic club concerts, Easter Sunrise Service, and then Graduation activities. The Senior Chorus ended the year with their presentation of "Jubilant Song" at graduation.

A year of fun and laughter accented with tired feet and chilly football games has made 1960-1961 a truly memorable experience. New uniforms sparkled under the colored light during the dedication of our new Coliseum—this was the highlight of the year.

A climax of activities came with a word of farewell from the Senior twirlers and a silent prayer that the years to come may be filled with tears of joy when new medals are received, shouts of laughter when the "fightin' Generals" run on to the field, and the feeling of anticipation when the trumpet blares, the whistle blows and the half-time show begins!

Little Women

Little Women, a teenage group of the Riverside Woman's Club, meets once a month. Programs for the year were planned around the theme of "Castles in the Air", taken from Thoreau's quotation, "If you have built castles in the air, your work need not be lost; that is where they should be. Now put the foundations under them." A drive for better attendance at the meetings has been most effective. Equal emphasis is placed on service projects, and a different one is chosen each month. The most important project was to send two children to "Camp Challenge", the Florida Camp for crippled children this summer. In April the "Man of the Year" is presented. Four dances were enjoyed by the members and their dates. A luncheon honoring the mothers and newly elected officers closed the year's activities.

Alpha had a successful year as a fine slate of officers carried the club through many various activities. At the beginning of the year, this active club planned the "Miss Hi-Y Contest," of which they are the founders. Alpha is the oldest Hi-Y in the state of Florida.

Interesting programs that Alpha has presented this year have included Twentieth Century films, football films, and F.B.I. men. Service projects that Alpha supports are truly of the rarest nature. . . . They have been to supply ice for basketball games, decorating the goal posts for the football games, weeding flower gardens at Lee twice, sponsoring trophy for Lee Relays Track Meet.

Alpha socials have been riotous in the past year. They consisted of such different activities as hayrides, basketball league at the "Y", in which they came in third place in the annual Christmas tournament, and the First Annual Alpha Hi-Y April Fool's Weekend Weeding Party.

The finale of this club was a Luau at the beach with Merline Garmer and an annual Retreat. Fellowship, worship, and recreation are but a few good examples of ten ways Alpha draws its members together. They have continually strived to uphold their goal: the Hi-Y ideals.

Beta combined service and social activities with the capable leadership of fine officers and a co-operative, enthusiastic membership to have another very successful year. Beta sponsored entertainment for the old folks out at Moose Haven and the boys who participated were well repaid with looks of happiness from the onlookers. For the first time in Beta history the club held the Beta Basketball Bonanza, in which all the Hi-Ys and Y-Teens participated for club fellowship. The annual Beta Butler Service was held. Hayrides, dances and beach parties led up to the big weekend retreat at Camp Immokalee. Success was an understatement for this event. Our year ending banquet was highlighted by the installation of next years officers. Beta attended church at a club once a month; this, as well as inspirational devotions placed a spiritual emphasis in the club. 60-61 has truly been a rewarding year for all Betans.

The tradition of success continued in Gamma this year through the leadership of its officers and mascot. Members participated enthusiastically in club projects to add to the fulfillment of this success. A variety of helpful service projects such as cleaning smeared paint from the outside walls of the school, and contributing to the Carl Spurrier Memorial Fund built a spirit of generosity among the boys.

Outstanding programs of the year were those such as Bryan Green, Episcopal Canon of Birmingham, England; a Rededication Service at the beginning of the semester; a Family Relations program; and the Christmas and Thanksgiving Programs.

Gamma boys sure know how to have fun, and they proved it at their socials, which consisted of Party for going away alumni, Easter Sunrise Breakfast, and a Birthday Party for Mascot Linda Marsh.

The climax of the year came with a grand time at the Gamma Retreat, held at Camp Montgomery. Senior Night and an Installation Banquet for new officers concluded the years activities. Gamma builds leaders of men and followers of Christ.

This year was another outstanding one for Delta. They started the year by presenting to the school, a 50 star flag. At the North Florida Hi-Y and Tri-Y Conference in St. Augustine, Sandy Covington was elected President for the coming year. The conference will be held here in Jacksonville next year. It was not all work and no play, however, as many successful socials were held throughout the year, with an overnight stag social at the beach and a week-end retreat at Camp Immokalee being the highlights. A banquet honoring all the outgoing seniors and incoming officers was a successful close to a successful year.

Kappa Courier

"To create, maintain, and extend—" Kappa Hi-Y has been a true leader in each of these endeavors included in the Hi-Y purpose. Kappans of 1960-61 have created, upon the foundation of many successful years, a newer and more modern club. Our "revolutionary" socials have included a tubing party, our annual Heaven 'n' Hell party, and of course the Kappa Conference at the end of the year. Kappa has maintained the high standards of years past, never ceasing to add a long list of notable additions. Sponsoring the third annual Kool Kappa Karnival, in which all the clubs at Lee participated, Kappans grew closer to one another in spirited accomplishment. Along the line of service, Kappa has contributed through painting the bleachers, and has cleaned all the outside of the windows at Lee. In the field of sports, Kappa's football and basketball teams have both fared well, the basketball team placing second in the Christmas Tournament. Extending throughout the home, school, and community, by means of service and representation of high character, Kappa has witnessed another successful year as one of the major clubs at Lee.

Alpha has again had a successful year, filled with fellowship and many rewarding experiences. The year's activities were centered around the theme, "Spotlights on You." A variety of programs included a movie on good grooming, religious speakers, and a boy-girl relationship panel consisting of a number of boys from other schools as well as girls from Lee. All these helped each member grow as a person. Money-making projects also proved to be fun—the usual White Elephant Sale, fashions and good grooming by Susan Reed, and a car wash? A slumber and piazza party, swimming and recreational social at the Y.M.C.A. with Beta Hi-Y, a get-acquainted lawn party, and a progressive evening party consisting of supper, a movie, and a dance rounded out the year's socials. The climax came with the annual houseparty and banquet honoring the new officers with their installation.

The Beta girls began this eventful and successful year with a Get-Acquainted party for the Sophomores. Other activities of the year were a bowling party, slumber party, ice skating, a Valentine dance, hayride, and a Come-as-you-are Breakfast.

Our service projects included decorating Duval Medical Center at Christmas, collecting old clothes for a needy family, Thanksgiving baskets, making Valentine favors for Hope Haven, and an Easter egg hunt at the zoo for orphans. We also had several money-raising projects and many interesting programs.

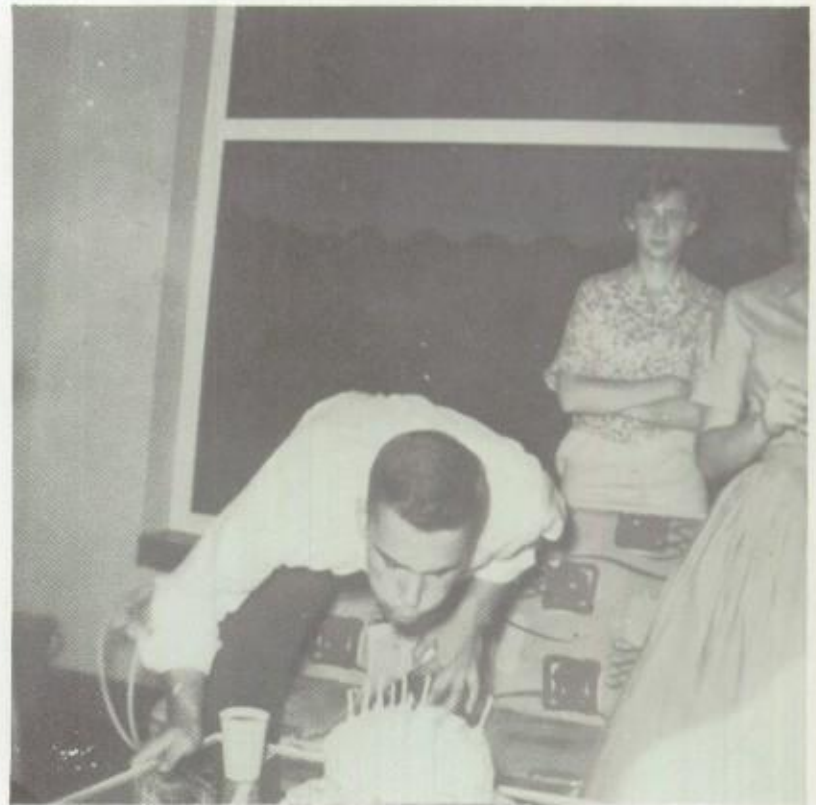

The aim of all our programs, devotionals, and service projects has been to improve the spiritual and social life of every member in our club. Beta climaxed this truly rewarding year with its annual houseparty and banquet.

Delta has enjoyed a very successful year due to the outstanding cooperation, enthusiasm, and participation of each of its members. We began our year with a Get-Acquainted social which everyone enjoyed. Some of our other socials included a Hayride, trip to the Circus, Slumber Party, and a day in St. Augustine. What fun we had. Delta showed its service to the community by giving a Halloween Party at Duval Medical Center, preparing a Thanksgiving basket for a needy family, making Safety Posters for the halls of Lee, contributing to the Heart Fund and other projects. We've enjoyed many interesting programs including speakers, Boy-Girl Relationship panel, and a special World Day of Prayer program, which was recognized by the Inter-Club Council. Several times during the year Deltans worshipped together and we heard Canon Bryan Green at the Coliseum. This wonderful year draws to a close with the annual houseparty and banquet honoring old and new officers.

Again Kappa Y-teens has made a strong impression in the hearts of its members and in the student life of Lee. Kappa began her fourth year with a party and meeting at Mascot Stew Irwin's house to welcome each new member. Sophomore officers were elected, and each Kappan was assigned to the Committee of her choice. Other socials of the year included the Christmas Alumnae Tea, Valentine Come as You Are Breakfast, and Kappa Kaveeman Social. Our concluding social was the Houseparty and banquet at the Ribault Club. Kappa selected such unusual and rewarding service projects as visiting Duval Medical Center at Christmas time, taking with us Santa Stew and gifts, and treating the Daniel Memorial Home boys to a trip to the Circus.

The "Kappa Kapers," our club newspaper, has increased in popularity with the members and alumnae. We in Kappa feel that another successful year will go down in the records for Kappa Y-teens. As Our Y-teen purpose is always in view, Kappa has certainly brought each member closer to her goal.

Zeta has again completed a successful year, having been backed by the enthusiasm and cooperation of each member. Zetans started their year of activities with a "Hen Party" to get acquainted with the Sophomores. Other outstanding activities and highlights were the "Come-as-you-are Breakfast," the "Backwards Party," the "Slumber Party," the "Satin Spider Beatnick Booth," and the annual "Mr. Lee Hi Contest." The climax was the house party and the Annual Cotton Ball. Zeta is very proud of her mascot, Corky Rogers; he always spreads his sunshine on others. BILL MIDDLETON

Sigma, although not as large as some of the other Y-teen clubs at Lee, had a remarkable year. The officers and members as well as the sponsors were the reason for this. Sigma is proud of her mascot, Bill Middleton; he has been the spark in the spirit of Sigma and also an inspiration to the girls. Our theme this year has been to help and understand the people that we come in contact with. In the field of service projects, we enjoyed taking the first through fourth graders from the Boys' Home to the Zoo. Our most outstanding program was a visit to the telephone company. The year climaxed with a Retreat at the lake house of our mascot, Bill Middleton. There was also an installation of new officers.

Through the capable leadership of her officers and the co-operation of her members, Theta has had a very successful year. During the year we carried the theme "to build a better world." Our programs of interest included a Marriage Council; Mr. Calhoun, from the telephone company, and a foreign exchange student. The year's socials included a Come-As-You-Are-Breakfast, a Beatnik Party, and a Slumber Party. We took part in such service projects as visiting the Governor's Home for elderly people, and a party for the men who were ill at the Naval Air Station. Our exciting year was ended with the grandest of houseparties, a May Banquet, and a June Dance.

Lee started this very successful season by defeating Englewood, 25-14. Two touchdowns by Huskins and one each by Taylor and Towery sparked the Generals. The next week there was little opposition as Lee romped by Bay High for 42-6 victory. We had a slow night when we played Gainesville High. It was a quiet game but we came out on top with a 13-0 win. In the first three games a total of ten players scored the 75 points.

Two of our next three games were in Miami. The first, against Miami High gave Lee its first defeat by a 28-6 margin. The next week we came home and beat Miami Edison 20-0. Then, back in the South where we came from behind to beat Coral Gables 19-12. The Gables' game was hard fought by all and two touchdowns by Story highlighted it.

Landon fell to the growing might of Lee by 26-0. Then Paxton felt our brawn by going down 46-6. North Miami was next in line and they fell by a score of 25-7. Highlights of these games were the long runs produced by Lee. Osburn picked two, one of 80 yards and the other of 87 yards. These were against Paxton. Rushing went for 37 against Landon, Hilton galloped for 47, and Johnson and Fry each went for 23 yards in these games.

The cheerleaders have boosted school spirit to a new high this year by going all out in their efforts to draw student participation. They made two trips to Miami to cheer the team on, drew posters to encourage attendance to football games, and produced replicas of a Ram for the Englewood game and a Tiger for the Jackson game for the players to run through. (These are seen in the pictures on these pages.)

EDUCATION

That person has not yet lived, who could value a good education in dollars and cents!

Our Democratic form of Government has provided Institutions of Learning to serve our children of all ages. We owe it to ourselves to properly educate our Youth — to insist that they avail themselves of these Educational Opportunities.

The future destiny of our Nation is determined by the education given our children today!

I guess the next most valuable thing to a steady girl is a
buddy. Sometimes buddies are even more valuable. Anyway, you've
been a buddy to me. You were about the only person that kept St. Johns
from being absolutely unbearable in the ninth grade, when I was
having so much trouble getting along with Mike Taylor & Mark
Riechmann. But before that, we really rocked those parties we
had. I'm thinking particularly of that one at Frank Scott's
house after we went out in his boat. And you're chopping after
Jockett with about as much hope as a boy in John Brown's
office. Another thing I remember is Redell's exhortation:
"All right. Hit me in the butt! I don't care!" I think Mrs.
Skypuk was about shocked.

that such a big thing could come out of something that
happened when we were in the ninth grade. But I guess
we might as well forget about it, it doesn't seem to matter

I don't know what to say about your love life. If
I knew which one you'd really liked the most I'd give you

say best of luck with you and whoever the damn guy is.

It's been a long time, then, as we've been

a lot to me. I hope we won't break relations when we go off,
but instead remain friends all through life. If I sound like a preacher now, please
don't get disgusted, but just open your mind and take seriously
what I have to say. Since I've been going to Best Deal & Young

APPRECIATION

The 1961 BLUE AND GRAY is now a happy reality because of the help and cooperation of many persons to whom we are deeply grateful. Because of them—students and faculty members alike—this annual has developed from a few ideas into a beautiful record of your days at Lee. We hope that what we have captured here and now will keep a glow of timelessness and serve as an index to your memories of Lee.

In the same spirit of those who have helped so generously, we express our appreciation—

To each member of the annual staff whose hard work and steadfast loyalty made the 1961 BLUE AND GRAY the best edition ever—

To Mr. Denver Sayre, our patient, persevering sponsor, for his faith and encouragement even when our spirits and ideas were at their lowest ebb—

To the faculty members, whose cooperation made the long pull much easier—especially Mr. Kirkham, Mrs. Cone, and Mr. Prom—

To two men who contributed much in help and understanding—Mr. Horace Drew of the H. & W. B. Drew Company and Mr. Gene Sellers of Lenak Studios.

They did it for you, students, and this is your annual. Enjoy it and cherish it always.

Co-Editors

The Annual Staff wishes to express its sincere gratitude to the many businessmen who have so generously contributed to this year's publication, the '61 BLUE AND GRAY. Without their help, this year's book would have been priced considerably higher.

Surely, we all want to express our thanks in some small way. Let us do this by patronizing the reputable firms advertised here.

Lots of luck to a great
girl who deserves ~~nothing~~ nothing
but the best. We've been great
knowing such a cute friendly
girl.

Jean,
I surely have
enjoyed knowing you
these three years at Lee.
I have really admired you
for your friendliness to
everyone. I know that
quality will make you
successful wherever you
go. Have lots of fun at
college, and the best of luck
to you always. Love,

Jean,
I thank you for
making this year more
fun. Talking and
cutting up with you
in gym and Spanish
I'll never forget.
I hope to see
you and Anne every
once in a while -

Received

Jan,

when you signed in my annual an apology for letting our friendship drift the beginning of the year (because of a 'certain' party), ... that! was the understatement of the year! Drift! HA- we didn't even speak! HA- Such immaturity on both sides. I sure am glad things worked out for the best though.... (and they sure did)!

I want to tell you what an adorable girl you are and I am sure you and Charles will last. Jan, "we're both happier this way, aren't we"? Charles and I are so cute!

How can I begin to tell you how much I've enjoyed our good times together? (Y-tee-s), HA- think we can talk about the meetings?!?! HA- Gym class, (walking by our friend), the times at each others houses - and how about "Running Scared" and the night I fell off the bed? HA- HA- oh - yes, and the "long walk from Lu Bonoi". HA- Boy - we've been through it together, - your telephone calls, my long-distance call and my Tues. nights.

I am sure you won't feel insecure again - shot to lose 10 lbs. over-night! Ya- you're going to be healthy! (I got room total HA- I think ^(Charles) he was well worth losing a little weight over, don't you?

Also, when I stop and think about it, you will be going to college next year and leave me here, ... all alone, ...

Reserved

but as long as the mail service stays in style and in service, we'll stay together, — you hear?!?! I'll watch Charles (if he's here), and if he isn't, I'll be writing him too!

Gran, it has really been a pleasure helping you ^{two} ~~two~~ out. He's been looking for the RIGHT girl for quite sometime now and you've been sucking true, gentle, and sincere love. You two are cute together and I hope I'll always be in the position to help you both at all times! I'll always be ready and willing to ^{HELP} real friends. I know what it's like to be used by "so-called" friends. It has been fun being with you, listening to you through your happy moments as well as your troubled moments. I would like to close with this Bible

verse John 3:16 ^{through} 18

"For God so loved the world that he gave his only begotten son, that whosoever believeth in him should not perish, but have eternal life." For God sent not the son into the world to judge the world; but that the world should be saved through him. He that believeth on him is not judged; he that believeth not hath been judged already, because he hath not believed on the name of the only begotten son of God."

I said this in your annual for you are one of the few people (in high school), left that live by God and His works, and Gran, I would never let the opportunity pass that I didn't thank you for sticking up for me and what you know is right. I am sure God will bless you and Charles for I have yet to see two finer friends. Love,
Rikki (Daphn)

P.S. See you this summer!
